

**STATE OF NEW YORK  
STATE BOARD OF ELECTIONS**

**FORM OF SUBMISSION OF PROPOSAL NUMBER FIVE, AN AMENDMENT**

In Relation to a Land Exchange in the State Forest Preserve with NYCO Minerals, Inc.

The proposed amendment to section 1 of article 14 of the Constitution would authorize the Legislature to convey forest preserve land located in the town of Lewis, Essex County, to NYCO Minerals, a private company that plans on expanding an existing mine that adjoins the forest preserve land. In exchange, NYCO Minerals would give the State at least the same amount of land of at least the same value, with a minimum assessed value of \$1 million, to be added to the forest preserve. When NYCO Minerals finishes mining, it would restore the condition of the land and return it to the forest preserve. Shall the proposed amendment be approved?

**ABSTRACT OF PROPOSAL NUMBER FIVE, AN AMENDMENT**

The purpose of the proposed amendment to section 1 of article 14 of the Constitution is to allow NYCO Minerals, Inc., a private company, to continue its mining operations in the town of Lewis, Essex County.

The State Constitution generally forbids the lease, sale, exchange, or taking of any forest preserve land. The proposed amendment would allow the State to convey approximately 200 forest preserve acres to NYCO Minerals for mining. In exchange, NYCO Minerals would give the State at least the same amount of land of at least the same value, with a minimum assessed value of \$1 million. This land would be added to the forest preserve. When NYCO Minerals finishes mining, the company would restore the condition of the land it received in the exchange and return it to the forest preserve.

The proposed amendment also would allow NYCO Minerals to test to determine the quantity and quality of the mineral to be mined on the land to be exchanged before the exchange occurs. It would require NYCO Minerals to give the State its test results so that the State can use them to determine the value of the land to be conveyed to NYCO Minerals. The proposed amendment also would require that if, after testing, NYCO Minerals does not want the forest preserve land, NYCO Minerals still must give the State at least the same amount of land of at least the same value of the land that was disturbed by the testing. This land would be incorporated into the forest preserve.

Notwithstanding the foregoing provisions, the state may convey to the village of Saranac Lake ten acres of forest preserve land adjacent to the boundaries of such village for public use in providing for refuse disposal and in exchange therefore the village of Saranac Lake shall convey to the state thirty acres of certain true forest land owned by such village on Roaring Brook in the northern half of Lot 113, Township 11, Richards Survey. Notwithstanding the foregoing provisions and subject to legislative approval of the tracts to be exchanged prior to the actual transfer of title, the state, in order to consolidate its land holdings for better management, may convey to International Paper Company approximately eight thousand five

hundred acres of forest preserve land located in townships two and three of Totten and Crossfield's Purchase and township nine of the Moose River Tract, Hamilton county, and in exchange therefore International Paper Company shall convey to the state for incorporation into the forest preserve approximately the same number of acres of land located within such townships and such County on condition that the legislature shall determine that the lands to be received by the state are at least equal in value to the lands to be conveyed by the state. Notwithstanding the foregoing provisions and subject to legislative approval of the tracts to be exchanged prior to the actual transfer of title and the conditions herein set forth, the state, in order to facilitate the preservation of historic buildings listed on the national register of historic places by rejoining an historic grouping of buildings under unitary ownership and stewardship, may convey to Sagamore Institute Inc., a not-for-profit educational organization, approximately ten acres of land and buildings thereon adjoining the real property of the Sagamore Institute, Inc. and located on Sagamore Road, near Raquette Lake Village, in the Town of Long Lake, county of Hamilton, and in exchange therefor; Sagamore Institute, Inc. shall convey to the state for incorporation into the forest preserve approximately two hundred acres of wild forest land located within the Adirondack Park on condition that the legislature shall determine that the lands to be received by the state are at least equal in value to the lands and buildings to be conveyed by the state and that the natural and historic character of the lands and buildings conveyed by the state will be secured by appropriate covenants and restrictions and that the lands and buildings conveyed by the state will reasonably be available for public visits according to agreement between Sagamore Institute, Inc. and the state. Notwithstanding the foregoing provisions the state may convey to the town of Arietta fifty acres of forest preserve land within such town for public use in providing for the extension of the runway and landing strip of the Piseco airport and providing for the maintenance of a clear zone around such runway, and in exchange therefor, the town of Arietta shall convey to the state fifty-three acres of true forest land located in lot 2 township 2 Totten and Crossfield's Purchase in the town of Lake Pleasant.

Notwithstanding the foregoing provisions and subject to legislative approval prior to actual transfer of title, because there is no viable alternative to using forest preserve lands for the siting of drinking water wells and necessary appurtenances and because such wells are necessary to meet drinking water quality standards, the state may convey to the town of Long Lake, Hamilton county, one acre of forest preserve land within such town for public use as the site of such drinking water wells and necessary appurtenances for the municipal water supply for the hamlet of Raquette Lake. In exchange therefor, the town of Long Lake shall convey to the state at least twelve acres of land located in Hamilton county for incorporation into the forest preserve that the legislature shall determine is at least equal in value to the land to be conveyed by the state. The Raquette Lake surface reservoir shall be abandoned as a drinking water supply source.

County where it passes through Forest Preserve in Township 5, Lots 1, 2, 5 and 6 that is necessary and appropriate for National Grid to construct a new 46kV power line and in exchange therefore National Grid shall convey to the state for incorporation into the forest preserve at least 10 acres of forest land owned by National Grid in St. Lawrence county, on condition that the legislature shall determine that the property to be received by the state is at least equal in value to the land conveyed by the state.

**Notwithstanding the foregoing provisions, the state may authorize NYCO Minerals, Inc. to engage in mineral sampling operations, solely at its expense, to determine the quantity and quality of wollastonite on approximately 200 acres of forest preserve land contained in lot 8, Stowers survey, town of Lewis, Essex county provided that NYCO Minerals, Inc. shall provide the data and information derived from such drilling to the state for appraisal purposes. Subject to legislative approval of the tracts to be exchanged prior to the actual transfer of title, the state may subsequently convey said lot 8 to NYCO Minerals, Inc., and, in exchange therefor, NYCO Minerals, Inc. shall convey to the state for incorporation into the forest preserve not less than the same number of acres of land, on condition that the legislature shall determine that the lands to be received by the state are equal to or greater than the value of the land to be conveyed by the state and on condition that the assessed value of the land to be conveyed to the state shall total not less than one million dollars. When NYCO Minerals, Inc. terminates all mining operations on such lot 8 it shall remediate the site and convey title to such lot back to the state of New York for inclusion in the forest preserve. In the event that lot 8 is not conveyed to NYCO Minerals, Inc. pursuant to this paragraph, NYCO Minerals, Inc. nevertheless shall convey to the state for incorporation into the forest preserve not less than the same number of acres of land that is disturbed by any mineral sampling operations conducted on said lot 8 pursuant to this paragraph on condition that the legislature shall determine that the lands to be received by the state are equal to or greater than the value of the lands disturbed by the mineral sampling operations.**
