News Release

Suffolk County Board of Elections
 Commissioner Anita S. Katz and Wayne T. Rogers
Monday, November 5, 2012 2:30pm

As you know, Suffolk Board of Elections has been working closely with FEMA, LIPA, the Office of Homeland Security, the Governor's office and local municipalities to assure the accessibility of our polling places on Election Day. We have completed the assessment of our polling places and have relocated several polling locations due to limited accessibility. We have notified the voters in those locations and posted the location changes through various media outlets. Our absentee ballot program has been ongoing. We are confident that all of our polling locations will be up and ready for voters on schedule.

The following is our most up-to-date information regarding poll changes:
