Our thoughts are with the residents of the City of New York affected by Hurricane Sandy. Due to damage it caused, the Board of Elections of the City of New York is temporarily relocating or combining some poll site locations across all five boroughs.

We urge New York voters to visit our poll site locator on our website or through our smartphone applications to verify their poll site location prior to Election Day this Tuesday.

This quick link provides you with the most accurate poll site change information post Hurricane Sandy.

The Board of Elections in the City of New York is currently updating our poll site information to provide you with the most accurate information.

We ask for your patience as we update our system.
