Instructions

- A committee must be registered with NYSBOE before filing this Notice.
- This Notice may **not** be used to satisfy filing requirements from a previous election, and must be filed no later than 32 days prior to the primary and/or general election to which it applies.
- NYSBOE presumes that PACs, Party Committees, Constituted Committees and Independent Expenditure Committees will support or oppose candidate(s) for election by making contributions and/or direct expenditures, and therefore expects to receive the three election reports for a particular election (primary and/or general). However, if one of this limited group of committees will not be actively supporting or opposing candidate(s) in a particular election, it may submit a Notice of Non-Participation in Election(s), which informs NYSBOE of this status and that NYSBOE should not expect to receive campaign financial disclosure election reports for that particular election.
- The filing of this Notice does not preclude these committees from having other financial activity (raising and/or spending funds) during the applicable elections. However, the activity must not be to support or oppose candidate(s) in an election covered by this Notice. In the event such a committee, after submission of this Notice, supports or opposes candidate(s) in an election covered by this Notice, the committee must then file all applicable election reports.
- Independent Expenditure Committees that will not be actively supporting or opposing candidate(s)/ballot proposals in a particular election and submit this Notice are still required to submit weekly disclosures on Mondays and 24-hour disclosures, as applicable, for any contribution received of \$1,000 or more. Expenditures over \$5,000 must be submitted weekly.
- Committees are required to continue to file all Periodic campaign financial disclosure reports as set forth in the annual Campaign Financial Disclosure Filing Calendar available on line at www.elections.ny.gov. This Notice is only applicable to the above indicated election cycle(s) in the current year.
