Revised October, 2008

Summary of Petition Filing and Challenge Procedures at the State Board of Elections

Filing

The dates for filing designating or party petitions are July 10-13. The dates for filing independent nominating petitions are August 15-22. Petitions may be filed at the board of elections by 5 p.m. of the last day to file, or they may be postmarked by midnight of the last day to file.

All petitions for statewide offices are filed with the New York State Board of Elections in Albany. Petitions for Congressional, state Senate and state Assembly districts that cross county lines or that are not wholly contained within the city of New York are also filed with the State Board of Elections. Petitions for districts that are wholly contained within a county or within the city of New York are filed with the county or New York City Board of Elections.

Challenges

Any petition filed with a board of elections shall be presumptively valid if it is in proper form and appears to bear the requisite number of signatures. All petitions meeting this requirement are valid until and unless they are challenged.

Objections may be filed by any voter who is registered to vote for the public office for which the petition is filed. Written objections to a petition must be filed within three days after the filing of the petition with the officer of the board where the petition is filed. This is referred to as a general objection and can be postmarked by midnight of the third day. In order to perfect an objection, specific objections must be filed within six days after the filing or postmarking of the general objection. The specific objections may also be postmarked by midnight of the sixth day. If no specific objections are filed, the original general objection is deemed to be null and void.

State Board Hearings

When general and specific objections have been timely filed against a petition, a hearing will be scheduled to rule on the objections. The hearing will be scheduled as soon as the staff can complete the necessary petition checking work. All parties will be notified of the date and time of the hearing by UPS Next Day Air Letter.

When a determination is made that a certificate or petition is insufficient, the Board will notify the candidate by mail. If the determination is made as a result of an objection, the objector shall also be notified by mail.

Parties may appeal any decision of the State Board of Elections with respect to a petition to the state Supreme Court. This proceeding must be instituted within fourteen days after the last day to file the petition, or within three business days after the Board makes a determination of invalidity, whichever is later.

For information on the disposition of petition challenges and hearings at county boards of elections, please contact the specific county board of elections.

Copies

Copies of petitions and specific objections may be obtained from the State Board of Elections and petitions may be viewed as long as they are not being used by staff for petition checking work. There is a \$0.25 per page charge for copies and pre-payment is required. Copy orders will be processed on a first-come, first-served basis. Any copy order received before 4:30 p.m. will be processed that day. Depending on the size of the petition, the copy order may not be completed until later in the evening.

The following parties have achieved automatic ballot access in New York State by virtue of their candidate for governor having received at least 50,000 votes in the last gubernatorial election (2002):

PRIMARY AND ELECTION DAY PROCEDURES

Hours for Voting

On Primary Day, polls open at 6 a.m. in NYC, Nassau, Suffolk, Westchester, Rockland, Orange Putnam, and Erie Counties, and at noon in all other counties. On Election Day all polls open at 6 a.m.. Polls remain open until 9 p.m. on both Primary and Election Day. When there is a statewide primary or a statewide general election, although you may contact the county boards, it is preferred that the media deal mainly with the State Board of Elections.

Media representatives are welcome at the polls. **If you are planning on having representatives at the polls, it might be a good idea to contact the board of elections, making them aware of your intentions and to ask for a letter of authorization.** The board of elections may, upon request, provide you with a letter of authorization. This letter will authorize you to be at the polling place, observe the canvass and conduct exit polling. The letter will also prevent any possible misunderstandings between media representatives and inspectors. The most important thing to remember is that the Board of Inspectors is in control of the polling place or site. You must have the inspectors' permission to enter a polling site and you must remain outside the guardrails when you are in the polling site. Members of the media may not wear, display or distribute any form of campaign material.

Exit Polls

Exit polls may be conducted during polling hours, but must be done outside the voting area. In some instances, the Board of Inspectors may request a certificate (letter of permission) from either the county or State Board of Elections. These certificates may be obtained prior to the day of the election by contacting the county or State Board.

Should any member of the media encounter any problems or difficulty with the inspectors, either the county or State Board should be contacted immediately. If the Board of Inspectors determines that the presence of the media is causing or creating a disturbance at the site, they may ask the media to move or depart.

Canvassing the Vote

Media representatives may be present when the polls close for the canvass by inspectors.

At 9 p.m. the inspectors lock all voting equipment to prevent further voting, verify the public and the protective counters on the voting equipment, and then sign the **report of canvass**. Once these tasks are completed, they begin canvassing the votes.

The voting equipment is canvassed first. One representative from each party calls out or verifies the vote for each candidate and one representative from each party records or verifies the vote as called. After the equipment is canvassed, the inspectors canvass the emergency and absentee ballots delivered to the polling site. In some counties absentee ballots are counted centrally at the board of elections.

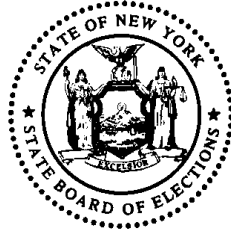

All affidavit ballots are returned to the board of elections for processing.

The public and media representatives may remain at the polls until all canvassing is completed and the unofficial vote is announced. The vote does not become official until the recanvass is completed, usually within 25 days of the election.

In a primary election, districts wholly contained in a county are certified by the county board of elections. Multi-county district totals are transmitted to the State Board by each county involved, where they are totaled and certified. All party positions are certified as elected by the board involved. The general election vote for all public offices is certified by the State Board of Canvassers on or before the 15th day of December. For a Presidential election, the State Board of Canvassers must meet on or before the second Monday in December.

The State Board has additional statistics available at no cost. To receive any of this information, contact Public Information Services at (518) 474-1953.
