1.0 INTRODUCTION

This review covers the Dominion ICP version 4.9.10 software received by Wyle on August 21, 2012. The submitted source code was compared to the listed old versions of each of the previous versions of source code.

<u>Application</u>	<u>Old Version</u>	<u>New Version</u>
ICP	4.9.9	4.9.10

2.0 INITIAL OBSERVATIONS

For the above listed application, any lines of code that were changed were identified and validated as having pertained to the effort of achieving compliance with the EAC 2005 VVSG software standards.

3.0 CONCLUSION

Wyle concluded that no issues were introduced into the code as a result of the changes.
