

TABLE OF POLITICAL CALENDAR EVENTS ADJUSTED TO COMPLY WITH COURT ORDER IMPLEMENTING THE MOVE ACT

The Federal MOVE Act requires military and special federal ballots to be sent out 45 days prior to an election for federal office. Here’s a summary of the key calendar changes that ensure compliance.

The following table shows the 2018 events that occur in the political calendar grouped by topic. The left-hand column indicates the sections of law that would need to be superseded in order to comply with the Court Order to send out the military ballots by the 45<sup>th</sup> day before both the federal primary and the general election.

The table also applies the statutory rule of moving filing dates if the last day for filing shall fall on a Saturday, Sunday or legal holiday, the next business day shall become the last day for filing. Election Law §1-106

For the 2018 Federal Primary and General Elections, that all certificates and petitions of designation or nomination, certificates of acceptance or declination of such designations and nominations, certificates of authorization for such designations, certificates of disqualification, certificates of substitution for such designations or nominations and objections and specifications of objections to such certificates and petitions required to be filed with the state board of elections or a board of elections outside of the city of New York shall be deemed timely filed and accepted for filing if sent by mail or overnight delivery service (as defined in NYS Election Law Section 1-106(3)(a)) in an envelope postmarked or showing receipt by the overnight delivery service prior to midnight of the last day of filing, and received no later than one business day after the last day to file such certificates, petitions, objections or specifications.
