

ALBANY, NY--(10/3/00)-- The State Board of Elections today reminded all state residents to register to vote for the November 7, 2000 general election.

Candidates for President and Vice-president will be on the ballot this year, as well as candidates for one US Senate seat. Candidates for all congressional seats, all state senate and state assembly seats and for state supreme court in most judicial districts will also be on the ballot. Voters will be asked to approve one proposal on the statewide ballot, the Transportation Infrastructure Bond Act of 2000.

Mail-in voter registration forms must be postmarked by midnight, October 13, and be received by your local board of elections no later than October 18 to be valid for the upcoming election. Residents may register in-person at their county board of elections until the close of business on October 13. Residents who have moved to a new county are reminded that they must re-register from their new address. Those who are currently registered and have moved to a new address in the same county should notify their county board of elections in writing of their move. The New York State Voter Registration Form can be used by new voters or movers for these purposes.

Voter registration forms are available at county boards of elections as well as many post offices, libraries and state agency offices throughout the state. Internet users may download a registration form by clicking on "Voting" on the State Board's web site. People interested in registering may also call 1-800-FOR-VOTE before Monday, October 9 to request a mail registration form. Requests received by October 9 will be processed and the forms will be mailed to the caller's home or business address. Requests received after October 9 will still be processed, but callers may not receive their form in time to register for this election
