Schedules for Campaign Financial Disclosure Reporting

Reporting Contributions and Expenditures

The primary objective of the New York State Board of Elections Compliance Unit is to ensure compliance with the state’s campaign financial disclosure laws.

One of our most important duties is to assist candidates, treasurers, and their committees with filing campaign financial disclosure reports that provide details about the funds they are raising and spending.

Schedules described in this document are used to provide details of contributions and expenses in campaign financial disclosure reports. For more information, check our Campaign Finance Handbook or visit our website for details.

We operate a toll-free number during business hours (1-800-458-3453) and our website is available 24 hours a day at www.elections.ny.gov.
