Dear Candidates and Treasurers:

Welcome to the New York State Board of Elections (NYSBOE) Campaign Finance Handbook. Here you will find information to help you comply with the campaign financial disclosure laws and requirements.

This Handbook is only a guide. For a full understanding of your legal obligations and responsibilities, in addition to referring to this Handbook, also refer to the NYS Election Law and related Rules and Regulations, and the Opinions of NYSBOE. All statutory citations in this Handbook are to NYS Election Law (McKinney’s) (referred to hereinafter as “EL”) and to the New York Compilation of Codes, Rules and Regulations (NYCRR), Title 9, Subtitle V (referred to hereinafter as “NYCRR”). The Election Law, Title 9 Subtitle V of the NYCRR, and NYSBOE Opinions can be accessed under “Election Law” on the NYSBOE website: www.elections.ny.gov. Other requirements set forth in this Handbook are established pursuant to the powers and duties granted NYSBOE under NYS Election Law Section 3-102.

This Handbook contains information about:

- Elimination of duplicate filings for certain local filers;
- Campaign financial disclosure forms;
- Graphics to make filing easier to understand;
- References/citations to NYS Election Law and related Rules and Regulations.

Article 14 of NYS Election Law contains the provisions regarding campaign financial disclosure. It was enacted for several public policy purposes, including ensuring transparency of election funding, which allows for an informed electorate. This transparency enables the public to be informed on who is raising or spending money in connection with the nomination for election, or election, of any candidate; or in connection with a ballot proposition or political party or principle, and how these monies are spent. It also allows the public to see who is contributing to candidates and political committees, which assists NYSBOE and the public in determining whether or not applicable contribution limits have been complied with. Additionally, disclosure assists NYSBOE in determining general Election Law compliance.

Our Campaign Finance Unit’s primary objective is to foster compliance with the campaign financial disclosure laws. We assist treasurers and candidates in understanding how the law affects them, and with the filing process. We urge you to visit our website at www.elections.ny.gov or, if necessary, contact our Campaign Finance Call Center at 1-800-458-3453 or 518-474-8200 for assistance.

For information concerning the filing requirements of the New York City Campaign Finance Board or a local board of elections that utilizes or requires electronic filing (e.g., Suffolk County), please consult that agency directly.

Please note that any gender reference in this Handbook is intended to include both genders.

If you have any problems or questions that are not resolved by reading this Handbook, please contact our Campaign Finance Call Center at 1-800-458-3453 or 518-474-8200, or visit our website at www.elections.ny.gov.

Fill-in Forms Available on the Website

Fill-in forms are now available on the NYSBOE website to enable filers to enter information directly on the applicable form. Once completed, filers must print, sign, and mail the form to NYSBOE and/or county board(s) of elections as applicable. Fill-in forms CF-02, 03, 04, 05, 16, 18, 19, and 20, are located at www.elections.ny.gov under Campaign Finance. The CF-01 is not a fill-in form.
I. WHO MUST FILE & WHAT MUST BE FILED?

Inside Part One, Section I:

- Candidates: Campaign Finance Registration and Filing Requirements
- Committees: Campaign Finance Registration and Filing Requirements
- Additional Required Documentation
- Village Elections

All candidates and political committees are required to disclose, at specific times, all of the financial activity made in connection with their campaign or in support or opposition of candidates, committees or ballot proposals/propositions. Such disclosure is made by filing campaign financial disclosure reports.

See “When Are Reports Filed?” and “Where & How Are Reports Filed?” sections of this Handbook for the specific times and locations reports are required to be filed. Additionally, please refer to the “Frequently Used Terms” section of this Handbook for details on the terms appearing herein.

A. Candidates

Campaign Finance Registration and Filing Requirements

It is the obligation of the candidate to disclose ALL of the receipts and expenditures of his/her campaign, including their own money. (EL 14-104(1))

He/she can do so in one of three ways, either: 1) themselves, 2) through an authorized committee; or 3) a combination of both.

1. Candidate discloses all (does not have authorized committee disclosing anything): A candidate can choose to file his or her own reports, setting forth the particulars specified in NYS Election Law Section 14-102, which must disclose all the receipts of, contributions to, expenditures by, and liabilities of the campaign, including the candidate’s own money. The candidate must also provide the name and address of the depository (bank) at which he/she maintains the accounts from which he/she conducts his/her own campaign financial activity. (EL 14-104(1); 14-118(3)(b))

To do so with NYSBOE, a candidate will file the Candidate Campaign Finance Registration Form to Request NYSBOE Filer ID# and PIN (CF-04). (For filing with local board(s) of elections, contact the appropriate board to determine any registration requirements.)

Again, this is if the candidate does not have a registered authorized committee that will be disclosing all of the financial activity of the candidate’s campaign, including the financial activity of the candidate;

or -

2. Candidate uses authorized committee to disclose all: A candidate can choose to have an authorized committee fulfill all of the candidate’s campaign finance filing requirements of NYS Election Law, disclosing all the receipts of, contributions to, expenditures by, and liabilities of the campaign, including the candidate’s own money. In such an instance, the candidate can raise or spend money themselves, but such activity of the candidate (who becomes an agent of the committee) must be reported through his or her authorized committee. (EL 14-104(1))

Additionally, the candidate must submit a Candidate’s Authorization for a Committee to Make All Campaign Financial Disclosures form (CF-16), which is the form that informs the board(s) of elections that the candidate has opted to have all the receipts of, contributions to, expenditures by, and liabilities of the campaign, including the candidate’s own money, disclosed by the authorized committee. In such an instance, the candidate would not have to submit his or her own campaign financial disclosure reports.

However, the mere fact that a candidate has an authorized committee fulfill all of the candidate’s campaign finance filing requirements of
NYS Election Law, does not relieve the candidate of their obligations and related liabilities under the NYS Election Law concerning the financial activity of their campaign.

The CF-16 must be submitted by the candidate no later than 32 days prior to the first election for which the candidate would otherwise be obligated to file reports; or -

### Candidate Committee Registration

The committee listed on the CF-16 form must be registered with the appropriate board(s) of elections. If the named treasurer on the CF-16 form does not register, thereby indicating that the treasurer has accepted the responsibility for filing the campaign financial disclosure reports on behalf of the candidate, or does not file the applicable disclosure reports, then the responsibility to submit disclosure reports remains with the candidate.

3. **Both candidate and authorized committee disclose:** A candidate can choose to have an authorized committee and can ALSO raise and spend money separate from the committee, which they choose not to have disclosed by the authorized committee. In such a case, BOTH the candidate and the authorized committee would register and file their own separate campaign financial disclosure reports, setting forth the particulars specified in NYS Election Law Section 14-102. In this case, a candidate should NOT file a Candidate’s Authorization for a Committee to Make All Campaign Financial Disclosures form (CF-16). A CF-16 is only filed by a candidate when ALL activity is filed by the authorized committee. The candidate must also provide the name and address of the depository (bank) at which he/she maintains the accounts from which he/she conducts his/her own campaign financial activity. (EL 14-104(1); 14-118(3)(b))

**Note:** For item 1 above, the candidate registering with NYSBOE must only submit a CF-04 form for a Filer ID# and PIN to file electronically. A CF-16 is not required.

For item 3 above, for a candidate registering with NYSBOE who has an authorized committee making filings, the candidate must only submit the CF-04, and the authorized committee submits the CF-02 and CF-03. A CF-16 is not required.

The CF-16 is only submitted by a candidate where an authorized committee discloses all financial activity of the campaign, including the candidate’s own activity (item 2 above). (See CF-04, CF-16 instructions.)

### Campaign Financial Disclosure Reports Required of Candidates

Candidates who are required to file campaign financial disclosure reports must submit one of the following. (EL 14-102(3)):

1. **Itemized Campaign Financial Disclosure Report (CF-01)**
   A report disclosing the financial activity for a specific reporting period, detailed on applicable schedule(s), and where at the close of the reporting period the aggregate of the receipts or expenditures of the campaign have exceeded $1,000. In the case of no financial activity during the reporting period, see No-Activity Report.

2. **In-Lieu-Of Statement (CF-01)**
   A campaign financial disclosure report where, at the close of the reporting period, neither the total receipts nor the total expenditures of the campaign have exceeded $1,000 in the aggregate. (EL 14-124(4))
Candidates Crossing the $1,000 Threshold

Once a candidate who has filed an In-Lieu-Of Statement exceeds the $1,000 threshold in aggregate receipts or expenditures for a campaign, he or she must begin to file itemized reports (CF-01) commencing with the reporting period wherein the threshold is crossed.

Furthermore, the initial itemized report filed must contain an itemization of all receipts and expenditures previously encompassed by the In-Lieu-Of Statement(s) filed by that candidate. Once a candidate files an itemized report, that candidate can never file an In-Lieu-Of Statement for any future report.

3 No-Activity Report (CF-18)

A report filed indicating that there is no activity to report for that specific reporting period.

For filers with NYSBOE: a CF-18 form can be submitted in hard copy with an original signature, or online using a Filer ID# and PIN at www.elections.ny.gov.

For filers with a county or city board of elections filing on paper: to report no activity for a particular period, such filers should submit fully completed cover, summary and status pages of the campaign financial disclosure report (CF-01).

Additional Instructions for Unsuccessful Candidates

Candidates are obligated to disclose campaign-related receipts and expenditures, regardless of whether they are successful in having their name appear on the ballot. (NYCRR 6200.2(f)). This would also include candidates who choose to end their campaign.

When a candidate raises or spends money, including the candidate’s own money, in an attempt to have his or her name appear on the ballot, but, for whatever legal reason (including because they have chosen to end their campaign), their name does not appear on the ballot, that candidate must then disclose all such receipts and expenditures not already reported on election reports on the next campaign financial disclosure Periodic Report (see “When Are Reports Filed?” section of this Handbook).

The candidate must then continue to file campaign financial disclosure reports until he or she completes the termination procedure as outlined in this Handbook.

Self-funded Candidates Must Disclose

The obligation to file campaign financial disclosure reports also applies to candidates who only use their own money to finance their campaign.

The candidate must also provide the name and address of the depository at which he/she maintains the accounts from which he/she conducts his/her own campaign financial activity. (EL 14-104(1); 14-118(3)(b))

Undetermined Office, District and/or Election Year

Where an office, district and/or election year of a candidate is undetermined at the time of registration, registration documents submitted should so indicate by the use of “TBD” (to be determined) where appropriate. Within two days of any determination relative to these matters, amended registration documents must be submitted indicating the updated information. Contribution limits will apply. Contact NYSBOE for greater detail.

Additional Registration/Filing Requirements for Local Candidates Making Their Own Filings

Local candidates who make their own filings and who raise or spend, or expect to raise or spend...
over $1,000 in a calendar year, must register and file campaign financial disclosure reports with NYSBOE in addition to registering with their local board(s) of elections.

The $1,000 raised or spent (including candidate contributions/expenditures regarding his or her own campaign) relates to financial activity (receipts or expenditures) in the calendar year, not an ending cash balance.

These candidates must contact NYSBOE to obtain their Filer ID# and PIN. State and county board Filer ID#s may be different.

### Elimination of Duplicate Filing for Certain Local Filers

Local filers required to also file with NYSBOE, and who do so, no longer have to make a duplicate filing with the local board(s). (NYCRR 6200.1). Local registration is still required.

---

### Claim of Exemption from Filing

Candidates may file a Candidate or Committee Claim of Exemption from Filing Campaign Financial Disclosure Reports form (CF-05) if one of the following pertains. (EL 14-124):

- Candidates have not/will not receive or spend more than $50 for their campaign, including their own personal funds;
- Candidates for public office in a town, city or village having a population under 10,000, where the candidate does not raise or spend in excess of $1,000 in the aggregate on the campaign. This includes the personal funds of the candidate.

Note: If after submission of this form the basis for a claim of exemption becomes invalid due to a change in circumstance (e.g., exceeding monetary threshold or scope of candidate/committee activity requires filing), the candidate/committee must then file all applicable election reports.

---

### B. Committees

#### Campaign Finance Registration and Filing Requirements

It is the obligation of a committee to register with the appropriate board(s) of elections and disclose its receipts and expenditures. (EL 14-102(1))

#### Registration Procedure

A committee registers by filing:

1. **Committee Registration/ Treasurer and Bank Information Form (CF-02)**
   - This form is used to register all committees. It provides the board(s) with information concerning the committee's name, type, treasurer, bank/depository, candidates/ballot propositions supported or opposed, and other authorized banking signatories. This form must be filed within five days of choosing a treasurer and depository and prior to receiving or expending any funds. (EL 14-118(1))

   Your campaign's bank account(s) must be opened at a banking organization authorized to do business in New York State. (EL 14-118(1))

   The branch where the account is opened and held must be physically located in New York State.

   **Constituted Committee Exception**

   The CF-02 form is not required to be filed by a constituted committee (see “Frequently Used Terms” for definition). However, NYSBOE requests that all constituted committees required to file with NYSBOE submit a completed CF-02 form for administrative purposes. Constituted committees required to file disclosure reports with the county or city board(s) of elections should consult with the appropriate county or city board(s) of elections for their requirements regarding registration.
The committee may also have to file the:

2. **Committee Authorization Status Form (CF-03)**

This form is used to indicate whether or not the committee has been authorized by the specific candidate(s) listed therein to aid or take part in their nomination or election. (EL 14-112). PACs should not file a CF-03.

A CF-03 form must be filed by all political committees that support or oppose the nomination or election of any candidate through direct expenditure.

Authorization can only be granted by a candidate. This means the candidate(s) have affirmatively acknowledged to you that your committee is authorized to aid or take part in their campaign, which includes raising and/or spending money on their behalf.

The mere fact that the candidate(s) know that your committee is conducting activity relative to their campaign does not constitute authorization.

**Undetermined Office, District and/or Election Year**

Where an office, district and/or election year of a candidate is undetermined at the time of registration, registration documents submitted should so indicate by the use of “TBD” (to be determined) where appropriate. Within two days of any determination relative to these matters, amended registration documents must be submitted indicating the updated information. Contribution limits will apply. Contact NYSBOE for greater detail.

**PAC Exception**

A CF-03 form is not required to be filed by a committee that only makes contributions (e.g., PACs). (EL 14-112) If a committee aids or takes part in the election or nomination of candidates only by making contributions and does not otherwise aid or take part in their campaign through direct expenditures, then the committee does not file this form.

---

**Time Requirements for Filing Amended CF-02 and CF-03 Forms**

A treasurer must file amended CF-02 and CF-03 forms as applicable within two days of any changes to any information contained therein.

**Campaign Financial Disclosure Reports Required of Committees**

Committees are required to file either an itemized report, an In-Lieu-Of Statement (if qualified), or a No-Activity report, as described, for each filing period:

1. **Itemized Campaign Financial Disclosure Report (CF-01)**

   A report disclosing the financial activity for a specific reporting period, detailed on applicable schedule(s), and where at the close of the reporting period, the aggregate of receipts or expenditures of the campaign have exceeded $1,000. In the case of no financial activity during the reporting period, see No-Activity report.

2. **In-Lieu-Of Statement (CF-01)**

   A report where, at the close of the reporting period, neither the total receipts nor the total expenditures have exceeded $1,000 in the aggregate for the campaign. (EL 14-124(4))

Once a committee that is entitled to file an In-Lieu-Of Statement exceeds the $1,000 threshold in aggregate receipts or expenditures for a campaign, it must begin to file itemized reports (CF-01) commencing with the reporting period wherein the threshold is crossed. Furthermore, the initial itemized report filed must contain an itemization of all receipts and expenditures previously encompassed by the In-Lieu-Of Statement(s) filed by the committee. Once a committee files an itemized report, it can never file an In-Lieu-Of Statement for any future report.

The only committees that can file In-Lieu-Of Statements are authorized committees solely supporting one candidate, or a committee
solely supporting or opposing a ballot proposal/ proposition. (EL 14-124(4))

**Committees Prohibited from Filing In-Lieu-of Statements**

Constituted committees, party committees, multi-candidate committees and PACs are expressly prohibited from filing In-Lieu-Of Statements.

3. **No-Activity Report (CF-18)**

A report filed indicating that there is no activity to report for that specific reporting period.

For filers with NYSBOE: a CF-18 form can be submitted in hard copy with an original signature, or online using a Filer ID# and PIN at [www.elections.ny.gov](http://www.elections.ny.gov).

For filers with a county or city board of elections filing on paper: to report no activity for a particular period, such filers should submit fully completed cover, summary and status pages of the campaign financial disclosure report (CF-01).

**Additional Instructions for Committees of Unsuccessful Candidates**

Committees of candidates are obligated to disclose campaign-related receipts and expenditures, regardless of whether the candidate is successful in having his or her name appear on the ballot. This would also include candidates who choose to end their campaign.

When a candidate’s committee raises or spends money, including the candidate’s own money, in an attempt to have the candidate’s name appear on the ballot, but, for whatever legal reason (including because they have chosen to end their campaign), the candidate’s name does not appear on the ballot, that committee must then disclose all receipts and expenditures not already reported on election reports on the next campaign financial disclosure Periodic Report (see “When Are Reports Filed?” section of this Handbook). (NYCRR 6200.2(f))

The committee must then continue to file campaign financial disclosure reports until the treasurer completes the termination procedure as outlined in this Handbook.

**Additional Registration/Filing Requirements for Local Committees**

Local committees that raise or spend, or expect to raise or spend over $1,000 in a calendar year, must register and file campaign financial disclosure reports with NYSBOE in addition to registering with their local board(s) of elections. (EL 14-102(4))

The $1,000 raised or spent relates to financial activity (receipts or expenditures) in the calendar year, not an ending cash balance. These committees must contact NYSBOE to obtain their Filer ID# and PIN. State and county board Filer ID#s may be different.

Committees supporting or opposing local ballot propositions must register and file with the appropriate local board(s) of elections. Any such committee supporting or opposing a local ballot proposition that raises or spends over $1,000 in a calendar year relative to a local ballot proposition in a general election must also register and file with NYSBOE and register with the local board(s) of elections.

**Note:** For a town or village, ballot propositions not submitted to the voters of that municipality at the time of a general election fall outside the scope of NYS Election Law.

Therefore, committees solely supporting or opposing ballot propositions in a town or village taking place other than in November do not have to make campaign financial disclosures relative to their ballot proposition activity. (EL 1-102)
Special Instructions for Political Action Committees (PACs)

1. **Committee Registration/ Treasurer and Bank Information Form (CF-02)**
   A PAC, when registering with a board of elections by submitting the Committee Registration/ Treasurer and Bank Information form (CF-02), does not have to provide any information in Section E, “Candidate(s) to be Supported or Opposed” of the CF-02.

   NYS Election Law specifically exempts PACs from having to provide the information in this section as an administrative convenience to both the PAC and the boards of elections where PACs submit their filings. This is because PACs only make contributions to candidates and political committees. If the PAC was required to provide candidate information in Section E, it would have to constantly amend its CF-02 form whenever contributions were made by the PAC to additional candidates/committees. (EL 14-118(1))

2. **Committee Authorization Status Form (CF-03)**
   PACs do not file the Committee Authorization Status form (CF-03). A CF-03 is only required to be filed by political committees that make direct expenditures, other than by contributions, in support of or opposition to candidates and other political committees.

   PACs may make contributions to candidates and political committees but may not make direct expenditures on their behalf.

3. **Notice of Non-Participation in Election(s) by a Registered PAC, Party or Constituted Committee (CF-20)**
   A Notice of Non-Participation in Election(s) by a Registered PAC, Party or Constituted Committee (CF-20) is the form that notifies a board of elections that a particular type of committee is not going to support or oppose candidates in an election through contributions or direct expenditures. It is an administrative creation of NYSBOE that only applies to, and can only be used by, a limited group of committees: specifically PACs, party committees and constituted committees.

   NYSBOE presumes that this limited group of committees are supporting or opposing candidates for election by making contributions or direct expenditures, and, therefore, expects to receive the three election reports for a particular election (primary and/or general). However, if one of this limited group of committees will not be actively supporting or opposing candidates in a particular election, it may submit a Notice of Non-Participation in Election(s) by a Registered PAC, Party or Constituted Committee form (CF-20), which notifies a board of elections of this status. Then, that board will not expect to receive campaign financial disclosure election reports for that particular election.

   **Cannot Use CF-20 for Periodic Reports**
   The Notice of Non-Participation in Election(s) (CF-20) does not apply to Periodic Reports required to be filed for campaign financial disclosure as specified each year in the annual filing calendar at www.elections.ny.gov.

   **CF-20 Due Dates and Submission Process**
   A CF-20 form must be submitted no later than 32 days prior to the first election in which it applies (e.g. primary or general). A CF-20 form may be submitted on paper or via NYSBOE’s website under Campaign Finance/File Disclosure Reports/Notifications. If submitting a CF-20 form on paper, it must contain an original signature.

   If submitting a CF-20 form via the website, a Filer
ID# and PIN are required. The PIN serves as an electronic signature.

As the NYSBOE Electronic Filing System (EFS) Software does not have a CF-20 filing option, the only way to submit a CF-20 form electronically is via NYSBOE’s website.

A Change Back to Participation Status During the Election

If, after filing a CF-20 form, the committee opts to participate in the particular election, through contributions or expenditures, it must begin filing campaign financial disclosure reports with the next election report that covers the date when the activity begins.

Claim of Exemption from Filing

Committees may file a Candidate or Committee Claim of Exemption from Filing Campaign Financial Disclosure Reports (CF-05) if one of the following pertains. (EL 14-124):

- Authorized committees solely supporting one candidate for public office, or a committee solely supporting or opposing a ballot proposition in towns, cities or villages having a population under 10,000, where the candidate/committee does not raise or spend in excess of $1,000 in the aggregate for the campaign.

Note: For a town or village, ballot propositions not submitted to the voters of that municipality at the time of a general election fall outside the scope of NYS Election Law. Therefore, committees solely supporting ballot propositions in a town or village taking place other than in November do not have to make campaign financial disclosures relative to their ballot proposition activity. As such, in this instance, this exemption does not apply as disclosure of this activity is not required. This form should not be filed. (EL 1-102)

- Committee formed solely to support or oppose a ballot proposition that does not raise or spend over $100.

Candidate Committees/Candidates Cannot File CF-20

Authorized and unauthorized committees of candidates that are obligated to file campaign financial disclosure election reports because of their activity are not permitted to file a (CF-20) to substitute for these election reports. Such committees must file one of the following reports for each specific filing period:

- Itemized Report
- In-Lieu-Of Statement (if qualified)
- No-Activity Report

(See “Campaign Financial Disclosure Reports Required of Committees,” in this section.)

Candidates who are obligated to file campaign financial disclosure election reports because of their activity are not permitted to file a (CF-20) to substitute for these election reports. Such candidates must file one of the following reports for each specific filing period:

- Itemized Report
- In-Lieu-Of Statement (if qualified)
- No-Activity Report

(See “Campaign Financial Disclosure Reports Required of Candidates,” in this section.)

Independent Expenditures

A person or organization making independent expenditures must register with the applicable board(s) of elections by submitting the Committee Registration/Treasurer and Bank Information form (CF-02) and must also file a Committee Authorization Status form (CF-03). (NYCRR 6200.10)

The U.S. Supreme Court in the Citizens United Case addressed the making of independent expenditures by corporations and unions. It did not prohibit limits on contributions, including those made by corporations. An independent expenditure is not the same as a contribution, however, it must be reported by registering and filing with applicable board(s). The decision does not change NYS Election Law.
C. Additional Required Documentation

Campaign Loans and Debts

When a candidate or committee receives a loan, or has a loan or debt forgiven, the filer must submit/mail copies of the document(s) evidencing such loans/debts received or forgiven. Such documents must be submitted/mailed in conjunction with the campaign financial disclosure report covering the period when the transaction took place. (EL 14-102(1)) See “Contribution and Receipt Limitations” section in this Handbook for applicability of limits.

A loan or liability made by a candidate to his/her campaign must be reported as applicable (see “Who Must File and What Must Be Filed?” section of this Handbook) and must be documented by letter(s) of indebtedness and/or forgiveness, as applicable.

Campaign Materials Required

Any filer required to file primary, general and/or special election reports must, at the same time the applicable post-election campaign financial disclosure report is due, submit/mail copies of all of the filer’s campaign materials, purchased or produced by or under the authority of the person filing the post-election report, or the committee or the person on whose behalf it is filed. (EL 14-106)

Campaign materials include all broadcast, cable or satellite schedules and scripts, internet, print and other types of advertisements, pamphlets, circulars, flyers, brochures, letterheads and other printed matter, purchased or produced in connection with a specific election.

When submitting/mailing campaign materials, please note that submissions:

- Can include duplicate originals (e.g., posters, flyers, buttons, etc.) or photocopies;
- Must be hard copies, not electronic/digital files;
- May be photographed when, for practical purposes they cannot be readily reproduced in a paper copy because they are large, unwieldy items, (e.g., billboards, sandwich boards, etc.); and
- Must be legible if copied.

If no campaign material was produced, a disclaimer so stating must be filed in conjunction with the applicable post-election report.

24-Hour Notices

A 24-Hour Notice is a required disclosure, which is used to report any contribution or loan over $1,000, received the day after the cut-off date of the 11-day pre-election report up to election day. Such contribution or loan must be disclosed within 24 hours of receipt. (NYCRR 6200.2(g))

These notices are required because without them there would be no public disclosure of large loans or contributions received during the period leading up to election day. Otherwise, they would only be first disclosed on the post-election campaign financial disclosure report. All 24-Hour Notices:

- Apply to all primary, general and special elections and must be filed by any filer for a specific election in which they are required to file election reports.
- Must be received by the appropriate board(s) of elections, where the filer is required to submit disclosure reports, within 24 hours of receipt of the contribution or loan in question.

For filers with NYSEBOE: These notices can be submitted:

- Online using a Filer ID# and PIN at www.elections.ny.gov;
- In person at the NYSEBOE offices, 40 North Pearl Street, Suite 5, Albany, NY 12207-2729;
- Or by fax (518-486-6627).

For filers with a county or city board of elections: These notices can be filed in person or by fax. Consult local boards of elections for further details.

Disclosure Report Required

Any contribution/loan for which a 24-Hour Notice has been submitted must also be disclosed in the applicable post-election campaign financial disclosure report.
**Termination or Resignation Procedures**

In order for a NYSBOE filer to request termination, or to resign as a treasurer, NYSBOE requires that the filer/treasurer submit a Termination or Resignation Request Form/No-Activity Report Form (CF-18) in writing, with an original signature, in conjunction with the applicable campaign financial disclosure report encompassing the transactions leading up to the date of the request for termination or resignation. (NYCRR 6200.7)

See “Terminating Filing Obligations” and/or “Duties of Treasurers/Candidates” or “Resigning as Treasurer” sections in this Handbook for more details.

**Use of Opinion Polls**

No candidate, political party or committee shall attempt to promote the success or defeat of a candidate by, directly or indirectly, disclosing or causing to be disclosed, the results of a poll relating to a candidate for such office or position, unless within 48 hours after such disclosure, they provide the required information concerning the poll as outlined in (NYCRR 6201.2) to the applicable board(s).

---

**Elimination of Duplicate Filing for Certain Local Filers**

Local filers required to also file with NYSBOE, and who do so, no longer have to make a duplicate filing with the local board(s). (NYCRR 6200.1) Local registration is still required.

---

**Note About Town and Village Ballot Propositions:** For a town or village, ballot propositions not submitted to the voters of that municipality at the time of a general election fall outside the scope of NYS Election Law.

Therefore, committees solely supporting or opposing ballot propositions in a town or village taking place other than in November do not have to make campaign financial disclosures relative to their ballot proposition activity. (EL 1-102)

---

**State Candidates:**

New York State Governor, Lt. Governor, State Comptroller, State Attorney General, State Senators, State Assembly Members, State Supreme Court Justices and certain party offices

**Local Candidates:**

All other offices

**New York City Candidates:**

Have additional requirements

**State Committees:**

Committees supporting or opposing candidates for state offices, certain party offices and those supporting or opposing statewide ballot propositions

**Local Committees:**

Committees supporting or opposing all other offices and local ballot propositions
D. Village Elections

**Village elections run by the village clerk:** Candidates for village office, and committees solely supporting or opposing candidates for village office or village ballot propositions must register and file with the village clerk when the village clerk runs the election.

For village elections run by the village clerk, where filers with the village clerk have campaign financial activity outside of the village election in question (e.g., supporting/opposing candidates and/or committees for town, county or state offices; transfers to party or constituted committees outside of the village), such filers will then also have an obligation to register and file with the appropriate county board of elections and/or NYSBOE.

**Village elections run by a county board of elections:** Registrations/filings must be made with the applicable county board of elections. Where the receipts or expenditures exceed or are expected to exceed $1,000 in the calendar year, including the candidate’s own money, then such registrations and filings must also be made with NYSBOE. (EL 14-102; 14-104)

The $1,000 raised or spent relates to financial activity (receipts or expenditures) in the calendar year, not an ending cash balance.

**Certain Village Candidates/Committees May Claim Exemption from Filing**

The following candidates/committees may file a Candidate or Committee Claim of Exemption from Filing Campaign Financial Disclosure Reports (CF-05): Candidates for public office and authorized committees solely supporting one candidate for public office, or solely supporting or opposing a ballot proposition in towns, cities or villages having a population under 10,000, where the candidate/committee does not raise or spend in excess of $1,000 in the aggregate for the campaign. (EL 14-124)

II. WHEN ARE REPORTS FILED?

A. Election Reports

There are three campaign financial disclosure reports filed in connection with each election (primary, general and special). (EL 14-108(1); NYCRR 6200.2(a)) They are as follows:

- 32-day pre-election; and -
- 11-day pre-election; and -
- 10-day post-election for primary elections (only for those participating financially in the primary); or -
- 27-day post-election for general or special elections.

These election reports are filed on the days indicated in their titles. Candidates and committees should consult the appropriate board(s) of elections to obtain the annual filing calendar containing the specific filing dates for the election in question.

All candidates and/or their committees, must file the election reports for all elections in which the candidate’s name appears on the ballot. This requirement is also applicable to the candidates and/or their committees when the candidate seeks a line in the general election via an “Opportunity to Ballot” petition which has been filed for a primary election.

All other political committees, including PACs, party and constituted committees and ballot proposition committees, that support or oppose candidates or ballot proposals in any election, must file the three applicable campaign financial disclosure reports.

Clearinghouse reports, which are reports that attempt to cover several reporting periods in one report, are not allowed. Reports must only contain transactions from that applicable reporting period.

B. Periodic Reports

All candidates and committees obligated to file campaign financial disclosure reports must submit, in addition to any required election reports, campaign financial disclosure periodic reports. (EL 14-108(1); NYCRR 6200.2) as specified in the annual filing calendar at: www.elections.ny.gov.

These periodic reports must be filed until such time as the candidate or committee terminates (see “Terminating Filing Obligations” section in this Handbook for more details).

C. Unsuccessful Candidates

Candidates and/or their committees are obligated to disclose campaign-related receipts and expenditures, regardless of whether the candidate is successful in having his or her name appear on the ballot. This would also include candidates who choose to end their campaign.

When a candidate and/or their committee raises or spends money in an attempt to have the candidate’s name appear on the ballot, but, for whatever legal reason (including because they have chosen to end their campaign), the candidate’s name does not appear on the ballot, that candidate and/or committee must then disclose all
When to File the First Campaign Financial Disclosure Report

The first campaign financial disclosure report that is required to be filed depends on whether the filer is a candidate or a committee.

1. Candidates

Where a candidate is obligated to file campaign financial disclosure reports, the first report the candidate must file is the 32-day pre-election report for the first election in which that candidate:

- Seeks a ballot line; or
- Appears on the ballot; or
- Seeks a ballot line via an "Opportunity to Ballot".

(NYCRR 6200.2(a)) This is regardless of when campaigning began.

Candidates should refer to the "Who Must File & What Must Be Filed?" section in this Handbook for instructions on candidate filing obligations.

Part One — Filing Requirements
2. Committees

The first campaign financial disclosure report that a committee must submit, after it registers by filing a Committee Registration/Treasurer and Bank Information form (CF-02) is either of the following reports, whichever comes first:

- The next periodic report; or -
- The 32-day pre-election report for the next applicable election.

(NYCRR 6200.2(a)(c))

Committee treasurers should refer to the “Who Must File & What Must Be Filed?” section of this Handbook for instructions on committee filing obligations.

Housekeeping Committee Reports

“Housekeeping” is a term that refers to the receipts and expenditures of only a party or constituted committee used to maintain permanent headquarters and staff, and to carry on ordinary activities that are not for the express purpose of promoting the candidacy of specific candidates. (EL 14-124 (3))

Such receipts and expenditures must be disclosed on the applicable periodic and election reports by the constituted or party committee in question. However, a constituted or party committee may establish and register an optional housekeeping committee for the sole purpose of reporting housekeeping receipts and expenditures. Such disclosure would only be required on campaign financial disclosure periodic reports filed as specified in the annual filing calendar at www.elections.ny.gov.

Candidates, and committees other than party and constituted committees, are not authorized to have housekeeping expenses and receipts or to register optional housekeeping committees.

Committees or Authorized Committees With Pre-existing Filing Obligations

The “first filing” instructions set forth herein do not apply to candidates, or their authorized committees, who have not terminated their filing obligation after their last election. Until termination is requested and approved, these candidates or authorized committees must continue to file all periodic reports, as well as any election reports, as applicable.
Where to Submit Campaign Financial Disclosure Reports

If you are a:

State candidate/committee; statewide ballot proposition committee

- Submit reports electronically to NYSBOE

Local candidate/committee; local ballot proposition committee

- Submit reports to city/county board(s) of elections if raising or spending $1,000 or less
- Submit reports electronically to NYSBOE if raising or spending more than $1,000 (also meets local filing obligation)

Village candidate/committee; village ballot proposition committee

- Submit reports to village clerk for village elections run by that clerk
- Submit reports to the county board for village elections run by the county board
- Submit reports electronically to NYSBOE if village election is run by the county and raising or spending more than $1,000
- Submit reports to applicable city/county board(s) of elections and/or NYSBOE for activity outside the village election

These graphics are intended to provide an easy-to-understand overview of a portion of campaign financial disclosure reporting requirements outlined in the following section of this Handbook.

Please refer to the Note About Town and Village Ballot Propositions in the section "Where & How Are Reports Filed" for important additional details on ballot propositions.
III. WHERE & HOW ARE REPORTS FILED?

A. State Candidates
And Committees Supporting Or Opposing Them

Candidates running for state offices and certain party offices, and the committees supporting or opposing those candidates, including party committees, constituted committees, and PACs, must register and file with NYSBOE, unless exempt from filing. (EL 14-110; NYCRR 6200.1; EL 14-124) (See “Exceptions to Filing Requirements” section in this Handbook for more details.)

State offices include Governor, Lt. Governor, State Comptroller, Attorney General, State Senate, State Assembly, State Supreme Court Justice, and certain party positions.

Such filings must be made electronically, unless a waiver allowing filing on paper has been applied for and granted in writing or unless otherwise exempt if not exceeding the $1,000 threshold. (EL 14-102 (4)) (See “Electronic Filing with NYSBOE” in this Handbook for more details.)

B. Local Candidates
And Committees Supporting Or Opposing Them

Candidates running for local public and party offices, and the committees supporting or opposing those candidates (except certain village elections), including local party committees, constituted committees, and PACs, must register and file with the appropriate county or city board of elections (EL 14-110; NYCRR 6200.1(a)(2); EL 14-124), unless exempt from filing under NYS Election Law Section 14-124. (See “Exceptions to Filing Requirements” section in this Handbook for more details.)

Local filers should contact the appropriate county or city board of elections for information on how to submit reports locally (i.e., paper or electronic).

Local filers who raise or spend, or expect to raise or spend more than $1,000 in any calendar year are also required to register and file campaign financial disclosure reports with NYSBOE, in addition to filing with the appropriate county or city board of elections. (EL 14-102(4); 14-104; NYCRR 6200.1(d))

Any local filer required to file with NYSBOE, and who actually does so, will not have to make a duplicate filing with their county and/or city board(s) of elections. Their NYSBOE filing will satisfy their local filing obligation. (NYCRR 6200.1(d))
These local filers will still be obligated to satisfy any registration requirements with their applicable county or city board(s) of elections. Local filers who are not otherwise required to file with NYSBOE cannot elect to do so as a substitute for local filing. These filers must file with their county or city board(s) of elections.

Such filings made with NYSBOE must be made electronically, unless a waiver has been applied for and granted in writing. (EL 14-102(4)) . (See “Electronic Filing with NYSBOE” in this Handbook for more details.)

**Filing Until Termination**

Any filer, once registered with NYSBOE, must continue to make all required filings until the filer requests a termination in writing (via CF-18 or CF-01 form, as applicable) from NYSBOE and it is granted by NYSBOE. (EL 14-108(1))

Terminating with a county/city board does not automatically terminate filing requirements with NYSBOE and vice versa.

Termination must be requested and processed separately with each board where a filer is registered. Simply closing the filer’s bank account does not terminate the obligation to file campaign financial disclosure reports with the applicable board(s) of elections.

---

**New York City Candidates Have Additional Requirements**

All New York City candidates for mayor, public advocate, comptroller, borough president and city council must register with the New York City Campaign Finance Board (CFB) and file disclosure reports as required. Such filers must also comply with all New York State Board of Elections (NYSBOE) campaign financial disclosure requirements.

Candidates or potential candidates in New York City should contact the New York City Campaign Finance Board (CFB) at www.nycfdb.info or by calling 212-306-7100.

---

**C. Village Candidates**

**Village Elections**

For village elections run by the village clerk, candidates and committees solely supporting or opposing candidates for village office must register and file with the village clerk. For village elections run by a county board of elections, such registrations and filings must be made with the county board of elections. (NYCRR 6200.1(a)(3))

For village elections run by the village clerk, where filers with the village clerk have campaign finance activity outside of the village election in question (e.g., supporting/opposing candidates and/or committees for town, county or state offices; transfers to party or constituted committees outside of the village), the filers will then also have an obligation to register and file with the appropriate county board of elections and/or NYSBOE.

For village elections run by a county board of elections, which would then require that the filings be made with that county board of elections, where the receipts or expenditures exceed or are expected to exceed $1,000 in a particular calendar year, then such registrations and filings must also be made with NYSBOE, unless a waiver allowing filing on paper has been applied for and granted in writing. (EL 14-124(6)). If any of the above village candidates and/or committees supporting or opposing them are obligated to also register and file with NYSBOE, and do so, they will not have to make a duplicate filing with their county board of elections.

**Certain Village Candidates/Committees May Claim Exemption**

The following candidates/committees may file a Candidate or Committee Claim of Exemption from Filing Campaign Financial Disclosure Reports (CF-05): Candidates for public office and authorized committees solely supporting one candidate for public office, or solely supporting or opposing a ballot proposition in villages having a population under 10,000, where the candidate/committee does not raise or spend in excess of $1,000 in the aggregate for the campaign. (EL 14-124)
D. Political Action Committees (PACs)

All PACs must submit three primary and three general election reports for the applicable election(s) in which they are supporting or opposing a candidate(s) for election by making contributions, as well as any periodic reports.

State

PACs that support or oppose candidates for state offices, certain party offices and those supporting or opposing statewide ballot propositions must register and file with NYSBOE. (EL 14-102; 14-110)

Local

PACs that only support or oppose candidates for local offices, certain party offices and those supporting or opposing local ballot propositions must register and file with the appropriate local board of elections. Any such committee that raises or spends, or expects to raise or spend, more than $1,000 in the calendar year must also register and submit campaign financial disclosure reports with NYSBOE, in addition to registering with the local board. (EL 14-102; 14-110; 14-118; NYCRR 6200.1)

Note About Town and Village Ballot Propositions

For a town or village, ballot propositions not submitted to the voters of that municipality at the time of a general election fall outside the scope of NYS Election Law. Therefore, committees solely supporting or opposing ballot propositions in a town or village taking place other than in November do not have to make campaign financial disclosures relative to their ballot proposition activity. (EL 1-102)

Note: PACs not participating in a primary or general election must submit the Notice of Non-Participation in Election(s) (CF-20) to the appropriate board(s).

E. Statewide and Local Ballot Propositions

All ballot proposition committees must submit three general election reports for the applicable election(s) in which they are participating, as well as any periodic reports that occur prior to the termination of filing obligations.

Statewide

Committees supporting or opposing statewide ballot propositions must register and file with NYSBOE. (EL 14-102; 14-110; 14-118)

Local

Committees only supporting or opposing a local ballot proposition must register and file with the appropriate local board of elections. Any such committee supporting or opposing a local ballot proposition that raises or spends, or expects to raise or spend, more than $1,000 in the calendar year, relative to said local ballot proposition, must also register and submit campaign financial disclosure reports with NYSBOE, in addition to registering with the local board. (EL 14-102; 14-110; 14-118; NYCRR 6200.1)

F. Independent Expenditures

The NYS Election Law mandates how campaign financial activity, including independent expenditures, is to be disclosed. Specific to independent expenditures, those making them must register a committee with NYSBOE and/or a local board of elections, as appropriate, through which to report the activity. An independent expenditure is an expenditure made subject to section 14-100 of the NYS Election Law that: (i) expressly advocates for the election or defeat of a candidate; and (ii) is independent of the candidate or his agents or authorized political committees in that the candidate or his/her agents or authorized political committees did not authorize, request, suggest, foster or cooperate with in any way.
These graphics are intended to provide an easy-to-understand overview of a portion of campaign financial disclosure reporting requirements outlined in the following section of this Handbook.
The NYS Election Law establishes certain limits on contributions that can be given and received by candidates and political committees, as well as limits on contributions that can be given by individuals and other entities. Contribution limits were established to, among other things, curtail the amount of influence, through money, that a contributor can have on elections and the election process.

A. Contributions – Definition and Certain Exceptions

“Contribution” means: (EL 14-100(9))

1) Any gift, subscription, outstanding loan (to the extent provided for in NYS Election Law Section 14-114), advance, or deposit of money or anything of value, made in connection with the nomination for election (e.g., primary), or election (e.g., general), of any candidate, or made to promote the success or defeat of a political party or principle, or of any ballot proposal,

2) Any funds received by a political committee from another political committee to the extent such funds do not constitute a transfer, (EL 14-100(10)). (See “Frequently Used Terms” section of this Handbook for details)

3) Any payment, by any person other than a candidate or a political committee authorized by the candidate, made in connection with the nomination for election (e.g., primary), or election (e.g., general), of any candidate, or any payment made to promote the success or defeat of a political party or principle, or of any ballot proposal including but not limited to compensation for the personal services of any individual which are rendered in connection with a candidate’s election or nomination without charge; provided however, that none of the foregoing shall be deemed a contribution if it is made, taken or performed by a candidate or his spouse or by a person or a political committee independent of the candidate or his/her agents or authorized political committees. For purposes of this article, the term “independent of the candidate or his agents or authorized political committees” shall mean that the candidate or his agents or authorized political committees did not authorize, request, suggest, foster or cooperate in any such activity; and provided further, that the term contribution shall not include:

(A) (“Volunteer services”) the value of services provided without compensation by individuals who volunteer a portion or all of their time on behalf of a candidate or political committee,

(B) (“House parties/personal property”) the use of real or personal property and the cost of invitations, food and beverages voluntarily provided by an individual to a candidate or political committee on the individual’s residential premises for candidate-related activities, to the extent such services do not exceed $500 in value, and

(C) (“Volunteer travel expenses”) the travel expenses of any individual who on his own behalf volunteers his personal services to any candidate or political committee to the extent such expenses are unreimbursed and do not exceed $500 in value.

Note: “Transfers” are not contributions. (EL 14-100(9)(2); 14-100(10))
B. Aggregate Calendar Year Limits

NYS Election Law places calendar year contribution limits on the total amount of political contributions that can be made by individuals and corporations to New York State candidates and committees, as follows:

- An individual may contribute up to a total of $150,000, in the aggregate, in a calendar year. (EL 14-114(8))
- A corporation may contribute up to a total of $5,000, in the aggregate, in a calendar year. (EL 14-116(2))

Each affiliated or wholly-owned subsidiary corporation, if a separate legal entity, has its own limit.

Notwithstanding the above, no individual, corporation or other contributor may give more to a candidate and/or a candidate's authorized political committee(s) than an amount determined under the law for the office sought by the candidate. This is called the election limit. This amount is the maximum that the candidate may receive, in the aggregate, from any one contributor during the campaign/election cycle for the particular election.

For some offices, the law requires a formula be used to determine the limit. In those cases, candidates and their committees should contact the board of elections where they file campaign financial disclosure reports to find out the limits. (EL 14-114(1)) Local candidates and/or their committees should contact their county or city board of elections to obtain their applicable limit.

C. Business Contributions

Corporations

A corporation may contribute a total of $5,000, in the aggregate, in a calendar year. For instance, if a corporation makes five separate $1,000 contributions in a particular year, the aggregate limit has been reached and no further contributions can be made in that calendar year. Similarly, if a corporation, having made no previous contributions in that year, makes a $5,000 contribution to a party committee, constituted committee or a PAC, the aggregate limit has been reached and no further contributions can be made in that calendar year.

Corporate contributions are also subject to a candidate’s contribution receipt limit, which may be less than $5,000. For example, if the corporation has not made any contributions in the calendar year; and the candidate to be supported only has a $1,000 contribution receipt limit; and the corporation has not made any previous contributions to that candidate in the election cycle, the corporation can only make a $1,000 contribution to that candidate, even though the corporation still has all of its $5,000 limit to give for that year. In this instance, the corporation would have $4,000 remaining of its annual aggregate contribution limit.

For corporate contributions to a candidate or political committee where the contribution receipt limit is higher than $5,000, the corporation can still only contribute to that candidate or committee subject to the corporation’s $5,000 aggregate contribution limit. For example, for a candidate whose two-year election cycle contribution limit is $9,500, in the first year of the election cycle, if the corporation has not made any contributions in that calendar year, the corporation can make a $5,000 contribution to that candidate, even though the candidate’s receipt limit is higher. In the second year, if the corporation has not made any contributions in that calendar year, the corporation can only make a $4,500 contribution to that candidate, as that is the remaining portion of the candidate’s $9,500 limit available to the corporation. For the remainder of the calendar year, the corporation would only have $500 remaining of its annual $5,000 aggregate contribution limit to make further political contributions.
Additionally, a corporation cannot make retroactive contributions for any previous year in an attempt to maximize the corporation’s aggregate contribution to a candidate or political committee. Each affiliated or wholly-owned subsidiary corporation, if a separate legal entity, has its own limit. Such contributions are reported on Schedule B of the campaign financial disclosure report. See this Handbook for exceptions regarding “housekeeping” contributions. (EL 14-116(2))

**Limited Liability Companies**

A Limited Liability Company (LLC) is treated as an individual for limitation purposes. Contributions received from LLCs are reported on Schedule C of the campaign financial disclosure report.

**Sole Proprietorships**

A sole proprietor’s contributions are deemed as being from the owner of the company and must be listed as such on Schedule A of the campaign financial disclosure report.

**Partnerships**

Partnership contributions are attributed to the individual partners who are making the contributions through the partnership, but the individual partners who are making the contribution are not specifically listed until the aggregate partnership contribution exceeds $2,500 to the specific recipient (i.e., candidate or committee). (EL 14-120(2))

Partnership contributions are always reported in the name of the partnership on Schedule A. Once the aggregate partnership contribution exceeds $2,500 (during the calendar year for a constituted or party committee or PAC; or during the election/campaign cycle for a candidate or authorized committee), then the recipient must also complete Schedule O, which for information purposes provides the itemization of the individual partner’s contributions making up the aggregate partnership contribution.

Each individual partner’s contributions, whether taken from the partnership account or from the partner’s personal account, will count towards that partner’s individual calendar year limit of $150,000. (EL 14-114(8))

---

**D. Candidate/Family Contributions**

**Funds of a Candidate and the Spouse of a Candidate**

Funds of a candidate and the spouse of the candidate spent on the campaign are not contributions and are not limited. However, they must be reported on the appropriate schedule(s). (EL 14-100(9)(3); 14-114(8))

**Family Limits**

The election limit for family members is an aggregate limit from all of the candidate’s family (defined as the candidate’s child, parent, grandparent, brother, sister, and the spouses of any such persons). (EL 14-114(1)(a))

Any one member of the candidate’s family can contribute any portion of the family limit, or the entire amount of the family limit. However, any portion contributed reduces the amount of the aggregate that is left for the other family members to contribute. If one family member contributes the whole limit, then the limit has been reached and the rest of the family is prohibited from making any contributions. See “Candidate Contribution Receipt Limits” in this section for details.

**In-kind Contribution Limits**

In-kind contributions must be assessed at fair market value, reported on the appropriate campaign financial disclosure report and are subject to limits. (EL 14-114(2); NYCRR 6200.6)
E. Primary/General/Special Election Campaign Limits

Separate Limits for Elections

Each primary, general or special election campaign has its own limit. No contributor may give more to a candidate and/or a candidate’s authorized political committee(s) than an amount determined under the law for the office sought by the candidate. This is called the election limit. (EL 14-114(1)(a)(b)) This amount is the maximum that the candidate/authorized committee may receive, in the aggregate, from any one contributor during the campaign/election cycle for that particular election.

The total contributed to a candidate, and/or to any authorized committee(s) of the candidate, from a particular contributor must be combined and applied to the candidate’s limit for that particular election.

Candidates and committee treasurers must ensure that the election limits are not exceeded and that those funds are spent only for the election to which they pertain, unless the funds were surplus funds left over from a prior election.

Limits for Contested Primaries

In order for a candidate or a candidate’s authorized committee to qualify for a separate primary contribution limit, the candidate must be participating in a contested primary. This also includes participation in a primary where an “Opportunity to Ballot” has been perfected.

The candidate or candidate’s committee receives an additional primary contribution limit for every contested primary in which the candidate participates.

F. Limits re: Gifts, Outstanding Loans and Liabilities Forgiven

Loans

As previously discussed in this section, a contribution includes any gift, subscription, outstanding loan (to the extent provided for in NYS Election Law Section 14-114), advance, or deposit of money or anything of value, made in connection with the nomination for election (e.g., primary), or election (e.g., general), of any candidate, or made to promote the success or defeat of a political party or principle, or of any ballot proposal. (EL 14-100(9)(1))

NYS Election Law Section 14-114 establishes the contribution limits which apply to all contributions to candidates and to all contributions to political committees working directly or indirectly with any candidate to aid or participate in such candidate’s nomination or election, other than any contributions to any party committee or constituted committee. Loans taken by a candidate or committee may result in the outstanding balance of the loan being deemed a contribution for limit purposes. (EL 14-114(6)(a)(b))

a) A loan made to a candidate or political committee, other than a constituted committee, by any person, firm, association or corporation other than in the regular course of the lender’s business (i.e., banks) shall be deemed, to the extent not repaid by the date of the primary, general or special election, as the case may be, a contribution by such person, firm, association or corporation.

b) A loan made to a candidate or political committee, other than a constituted committee, by any person, firm, association or corporation in the regular course of the lender’s business (i.e., banks) shall be deemed, to the extent not repaid by the date of the primary, general or special election, as the case may be, a contribution by the obligor on the loan and by any other person endorsing, cosigning, guaranteeing, collateralizing or otherwise providing security for the loan.

Note: A committee cannot be terminated until all outstanding loans or liabilities have been resolved.
As such, loans can result in the receipt of an over-contribution for limit purposes, if the outstanding balance of the loan as of the date of the primary, general, or special election, as the case may be:

1) is, in and of itself, greater than the applicable contribution limit, or -

2) when added to the previous contribution(s) of the contributor in that election cycle, results in an aggregate amount for the applicable cycle which is greater than the contribution limit for that cycle.

Regardless of the above, the obligation to repay the outstanding balance of the loan remains, and the filer must also continue to report the outstanding balance of the loan on Schedule N until it is repaid or forgiven.

Filers are strongly cautioned to consider the applicable contribution limit as applied to the outstanding balance of the loan, as well as cautioned to review the contribution history of the particular contributor who will be making the loan, in order to avoid over-contributions for limit purposes.

**Loans or Liabilities Forgiven**

Loans or liabilities that are forgiven are considered contributions for limit purposes, and are subject to contribution limits for the applicable election or calendar year cycle.

Forgiveness can result in the receipt of an over-contribution, if the amount forgiven:

1) is, in and of itself, greater than the applicable contribution limit, or -

2) when added to the previous contribution(s) of the contributor who is forgiving the loan or liability, results in an aggregate amount for the applicable cycle which is greater than the applicable contribution limit for that cycle.

Filers are strongly cautioned to consider the applicable contribution limit as applied to the amount to be forgiven, as well as cautioned to review the contribution history of the particular contributor who will be forgiving a loan or liability, in order to avoid over-contributions for limit purposes.

**Documentation to be Provided**

When a candidate or committee receives a loan, or has a loan forgiven, the filer must submit/mail to applicable board(s) of elections copies of the document(s) evidencing such loans received or forgiven.

When a candidate or committee has any other liability forgiven, a filer must submit/mail to applicable board(s) of elections copies of the document(s) evidencing such forgiveness.

Such documents must be submittedailed in conjunction with the campaign financial disclosure report covering the period when the transaction took place. (EL 14-102(1))

**Evidence of Indebtedness**

Evidence of indebtedness (a signed copy of a promissory note or a letter outlining loan details) for each loan, including loans from a candidate or candidate’s spouse, must be submitted/mailed in conjunction with the applicable report to local board(s) of elections and/or NYSBOE.

Such evidence must include the terms and conditions of the loan, including date of loan, name and address of the parties to the loan (borrower and lender), the amount of the loan, any interest to be charged and the repayment schedule (see Schedule I).
G. Candidate Contribution Receipt Limits

The charts in this section set forth the maximum election limits, calculated using the total number of enrolled or registered voters, excluding voters in inactive status, that may be received by a candidate for a particular office. (EL14-114; NYCRR 6214.0) Column A represents the amount that can be received from any non-family contributor and Column B represents the amount that can be received in the aggregate from the family, defined as the candidate’s child, parent, grandparent, brother, sister and the spouses of any such persons. These limits are subject to change and should be verified with NYSBOE and/or applicable local board.

**Candidates running jointly for the offices of governor and lieutenant governor in a general or special election shall be deemed to be one candidate for limit purposes. (EL 14-114(7)

Note: Candidates opting into the NYC Public Financing Program should check with the New York City Campaign Finance Board for further limitations.
More on Candidate

**Contribution Receipt Limits**

Please remember that these are aggregate limits that apply to the entire election cycle. Generally, the election cycle is either two or four years. (See “Campaign Cycle” in “Frequently Used Terms” section in this Handbook for more details).

A contribution is deemed attributable to the next election in which the candidate participates. The date of the contribution is the date it is received by the candidate/committee. If the date of receipt is after an election day, it automatically applies to the very next election for that candidate. The only exception to this rule is where, as of election day, the debts of the candidate/candidate’s committee exceed the ending cash balance on hand. (EL 14-102; 14-104;14-122)

Where debt exceeds the ending cash balance on hand as of the applicable election day, the candidate/candidate’s committee can receive contributions from contributors that have not yet reached the contribution limit for the candidate for the previous election.

However, the amount that can be collected toward the previous election’s limit can only equal the amount of the outstanding debts that are greater than the cash balance on hand as of election day. In other words, contributions allocated to prior campaigns to pay outstanding debts must remain within the limits applicable to that election.

See NYSBOE 1978 Opinion #13 and NYSBOE 1985 Opinion #2.

**H. Committee Contribution**

**Ballot Propositions**

There are no limits on contributions to support or oppose a ballot proposition.

**Party or Constituted Committees**

These committees may not, in a calendar year, receive more than $102,300 from any one contributor. (EL 14-114(10)) However, corporations cannot contribute this amount to party and constituted committees. They are still subject to their overall $5,000 aggregate annual contribution limit. (EL 14-116). The above limits do not apply to contributions made by any contributor, including corporations, to party and constituted committees for “Housekeeping”. (EL 14-124(3))

**Housekeeping**

“Housekeeping” is a term that refers to the receipts and expenditures of a party or constituted committee used to maintain permanent headquarters and staff, and to carry on ordinary activities that are not for the express

***Contact local board(s) of elections for contribution limits (based on number of enrolled/registered voters) for local candidates. The general election limit applies to special elections as well.***
Legal Responsibility

The person or committee making a contribution, as well as the person or committee receiving it, is responsible to ensure that their own applicable limits are not exceeded.

Campaign Contribution to be Under True Name of Contributor

NYS Election Law Section 14-120 states:

1) No person shall in any name except his own, directly or indirectly, make a payment or a promise of payment to a candidate or political committee or to any officer or member thereof, or to any person acting under its authority or in its behalf or on behalf of any candidate, nor shall any such committee or any such person or candidate knowingly receive a payment or promise of payment, or enter or cause the same to be entered in the accounts or records of such committee, in any name other than that of the person or persons by whom it is made.

2) Notwithstanding subdivision one of this section, a partnership, as defined in section ten of the partnership law, may be considered a separate entity for the purposes of this section, and as such may make contributions in the name of said partnership without attributing such contributions to the individual members of the partnership provided that any such contribution made by a partnership to a candidate or to a political committee, shall not exceed, $2,500. In the event that such partnership contribution to any such candidate or political committee exceeds $2,500, the aggregate amount of such contribution shall be attributed to each partner whose share of the contribution exceeds $99.00.

Both subdivisions of NYS Election Law Section 14-120 apply to all of the provisions of NYS Election Law Section 14-100(9). ("Contribution").

The “true name of the contributor” is of critical importance to determine who is contributing to candidates and political committees and the amount of such contributions. This assists NYSBOE and the public in determining whether or not applicable contribution limits have been complied with.

Checks to Housekeeping

Contributions to housekeeping must be designated in writing by the signatory, indicated in the “memo” portion of the check and/or on an attached letter or a contemporaneous document, such as an RSVP or solicitation response card.

PACs

Political Action Committees (PACs) are unlimited in the aggregate amount of contributions they can make but are limited by what a candidate or committee can receive.

I. Miscellaneous Details

Checks Drawn on Joint Account

Generally, checks drawn on a joint account are assumed given by the signatory (the person who signed the check). However, if the contribution is to be attributed to multiple joint account holders, then all of the names, in addition to the signatory, and the specific amounts attributed to each contributor on the joint account, must be indicated in the “memo” portion of the check and/or on an attached letter or a contemporaneous document, such as an RSVP or solicitation response card. See Schedule A in the campaign financial disclosure reporting instructions.
V. Exceptions to Filing Requirements

Inside Part One, Section V:

- Media Not Obligated to File
- Candidates/Committees Not Obligated to File

This section lists organizations, candidates and committees that are not obligated to file campaign financial disclosure reports.

A. Media

Filing requirements may not apply to the media as follows: for purposes of the exception from having to file campaign financial disclosure reports, qualified media are considered to be any person, association or corporation engaged in the publication or distribution of any newspaper or other publication issued at regular intervals in respect to the ordinary conduct of such business. (EL 14-124(1))

B. Candidates/Committees

Filing requirements do not apply to the following:

- Candidates who do not receive or spend more than $50 (which also applies to their own personal funds), including candidates for county committee and for delegate and alternate to a judicial convention. However, the appropriate board(s) of elections must be informed in writing of a claim of this exemption by filing a Candidate or Committee Claim of Exemption From Filing Campaign Financial Disclosure Reports (CF-05). (EL 14-124(5); NYCRR 6200.5)

- Any candidate or candidate’s authorized committee, where the candidate is in an uncontested primary and not otherwise supporting candidates who are in a contested primary, do not have to file primary election reports. Money received or spent shall be disclosed in the first general election campaign financial disclosure report filed. (EL 14-124(7))

- Candidates and authorized committees solely supporting one candidate for public office, or solely supporting or opposing a ballot proposition, in towns, cities or villages having a population under 10,000, where the candidate/committee does not raise or spend in excess of $1,000 in the aggregate for the campaign. (EL 14-124(6)). These candidates/committees must file a Candidate or Committee Claim of Exemption From Filing Campaign Financial Disclosure Reports (CF-05).

- A committee formed solely to support or oppose a ballot issue, and that does not raise or spend over $100. (EL 14-124(8))
Treasurers/Candidates are Obligated to:

- Complete, where applicable, CF-02, CF-03, CF-04, CF-05 and CF-16 forms

These graphics are intended to provide an easy-to-understand overview of a portion of campaign financial disclosure reporting requirements outlined in the following section of this Handbook. For additional information about candidate responsibilities, see “Who Must File and What Must Be Filed?” section in this Handbook.
VI. DUTIES OF TREASURERS/CANDIDATES

Inside Part One, Section VI:

- Documents Required to Register and File
- Additional Responsibilities of Treasurers/Candidates

A. Documents Required

In order to register with the applicable board(s) of elections, appropriate forms must be filed by: (1) a treasurer of a political committee; or (2) a candidate with a registered authorized committee that will be disclosing all of the financial activity of the candidate’s campaign including all of the financial activity of the candidate; or (3) a candidate who does not have a registered authorized committee that will be disclosing all of the financial activity of the candidate’s campaign, including the financial activity of the candidate; or (4) a candidate who has a registered authorized committee, but chooses to have financial activity for the campaign that will not be disclosed by the authorized committee.

Applicable registration forms are:

1. **Committee Registration/Treasurer and Bank Information Form (CF-02)**
   This form is used to register all committees. It provides the board(s) with the committee’s name, type, treasurer, bank/depository, candidates/ballot propositions supported or opposed, and other authorized banking signatories.

   This form must be filed within five days of choosing a treasurer and depository and prior to receiving or expending any funds.

   The CF-02 form is filed with the board(s) of elections where the campaign financial disclosure reports must be filed. Local filers should consult with the appropriate county or city board(s) of elections for their requirements and procedures.

2. **Committee Authorization Status Form (CF-03)**
   This form is used to indicate whether or not the committee has been authorized by the specific candidate(s) listed therein to aid or take part in their nomination or election. A CF-03 form must be filed by all political committees that support or oppose the nomination or election of any candidate through direct expenditure.

   **Constituted Committee Exception**
   The CF-02 form is not required to be filed by a constituted committee (see “Frequently Used Terms” for definition). However, NYS-BOE requests that all constituted committees required to file with NYSBOE submit a completed CF-02 form for administrative purposes. Constituted committees required to file disclosure reports with the county or city board(s) of elections should consult with the appropriate county or city board(s) of elections for their requirements regarding registration.
A CF-03 form is not required to be filed by a committee that only makes contributions (i.e., PACs).

The treasurer must file, or cause to be filed, the CF-03 form, if applicable, at the same time of the filing of the CF-02 form.

Authorization can only be granted by a candidate. This means the candidate(s) has affirmatively acknowledged to you that your committee is authorized to aid or take part in their campaign, which includes raising and spending money on their behalf. The mere fact that the candidate(s) knows that your committee is conducting activity relative to their campaign does not constitute authorization.

Time Requirement for Filing CF-02 and CF-03 Amendments
A treasurer must file amended CF-02 and CF-03 forms as applicable within two days of any changes to any information contained therein. (EL 14-118(1))

3. Candidate's Authorization for a Committee to Make All Campaign Financial Disclosures (CF-16)
This form is used by a candidate with an authorized committee that will make all of the candidate’s required campaign financial disclosure filings, including all of the activity of the candidate.

4. Candidate Campaign Finance Registration Form (CF-04)
This form is only used by candidates to register with NYSEBO in one of two circumstances:
- The candidate does not have a registered authorized committee that will be disclosing all of the financial activity of the candidate’s campaign, including the financial activity of the candidate; or-
- The candidate has a registered authorized committee, but chooses to have financial activity for the campaign that will not be disclosed by the authorized committee.

B. Additional Responsibilities

The filer, who may either be the treasurer or candidate, is legally responsible for filing all required campaign financial disclosure reports. (EL 14-118 (1). (3))

Filers filing with NYSEBO must file electronically, via diskette, CD, DVD or email attachment, using NYSEBO’s Electronic Filing System (EFS) Software. (EL 14-102(4))

Local filers should contact the appropriate county or city board(s) of elections for information on how to submit reports locally, if applicable. See “Where and How Are Reports Filed?” section in this Handbook.

Filer ID# and PIN

When registering by filing the Committee Registration/Treasurer and Bank Information form (CF-02) or the Candidate Campaign Finance Registration Form (CF-04), filers will be assigned a Filer ID# as well as a PIN. For filing purposes, the PIN is the electronic signature of the filer. The PIN also ensures that the campaign financial disclosure report has been filed by or authorized by the designated filer. As liability attaches to each filing, the filer should ensure that his or her PIN is securely kept and used. For political committees, NYSEBO will only provide the PIN to the treasurer of record.

Registration Required for Political Committees Before Financial Activity

No officer, member or agent of any political committee shall receive any receipt, transfer or contribution or make any expenditure or incur any liability until the committee shall have chosen a treasurer and depository and filed their names (initial registration or amendment thereto) as required with the appropriate board(s) of elections.
Detailed, Bound Accounts

The treasurer of every political committee, as well as every candidate who receives or expends any money or any valuable thing or incurs any liability to pay money or its equivalent, shall keep and retain detailed, bound accounts of all receipts, transfers, loans, liabilities, contributions and expenditures, made by the committee or any of its officers, members, or agents acting under its authority or in its behalf, or the candidate, as applicable. (EL 14-118)

Receipts Requirement

All expenditures over $10 must be vouched for by a receipted bill stating the particulars of the expense. (EL 14-122(2))

Evidence of Indebtedness/Forgiveness

Any campaign financial disclosure report indicating a loan shall have attached to it a copy of the evidence of indebtedness. (EL 14-102). If filing electronically, the evidence of indebtedness should be filed under separate cover. Evidence of indebtedness is the loan document.

If any loan or outstanding liability is forgiven, then the report indicating such forgiveness must also include a copy of the evidence of forgiveness. If filing electronically, the evidence of forgiveness should be filed under separate cover. Evidence of forgiveness is a document that shows that the obligation has been forgiven.

Evidence of indebtedness and/or forgiveness must be submitted/mailed to the applicable board(s) of elections. Any loan or liability that is forgiven is subject to applicable contribution limits.

Limits on Cash

There are limits on the amount of cash that candidates and political committees/treasurers can receive and expend. No candidate, political committee or agent thereof may receive from any one person an aggregate amount greater than $100 in cash. Disbursements/expenditures in excess of $100 may NOT be in cash. (EL 14-118(2))

Financial Activity—Deposits

All cash, checks, drafts or other instruments shall be deposited in the account of the candidate or committee in the designated depository. (EL 14-118 (2))

Obligation to Turn Over Receipts and Records of Financial Activity to Treasurer

Officers, members or agents of a political committee or agents of a candidate that receive any receipt, contribution, or transfer, or make any expenditure or incur any liability, must within three days after demand of the treasurer, and in any event within 14 days after any such financial activity, give to the treasurer of such committee, or to such candidate if any agent authorized by him or her, a detailed accounting of all with vouchers/receipts. (EL 14-122(1))

Personal Use Prohibitions

Contributions received by a candidate or a political committee shall not be converted by any person to a personal use which is unrelated to a political campaign or the holding of a public office or party position. (EL 14-130)

Disposition of Anonymous Contributions

Any anonymous contributions received by a candidate or campaign treasurer, political committee or agency thereof shall not be used or expended, but shall be paid over to the Comptroller of the State of New York for deposit in the general treasury of the State unless, before the due date for filing of the next campaign financial disclosure report, the identity of the anonymous contributor becomes known, and in that event the anonymous contribution shall be returned to the contributor or retained and properly reported as a contribution that is subject to limits. (EL 14-128)
**Resignation or Termination**

Treasurers filing treasurer resignation reports or treasurers or candidates filing termination reports with NYSBOE must also file a paper Termination or Resignation Request Form/No-Activity Report Form (CF-18) with an original signature, making sure to check the box(es) applicable to the request. (See the “Resigning as Treasurer” and “Terminating Filing Obligations” sections in this Handbook for details).

**Records Retention**

In accordance with NYS Election Law, every political committee shall have a treasurer and depository (bank), and shall cause the treasurer (active and/or resigned) to keep detailed, bound accounts of all receipts, transfers, loans, liabilities, contributions and expenditures made by the committee or any of its officers, members or agents, acting under its authority or on its behalf, for a period of five years from the date of the filing of the final campaign financial disclosure report with respect to the election or convention to which they pertain.

These requirements regarding records retention also apply to candidates. (EL 14-118).

These graphics are intended to provide an easy-to-understand overview of a portion of campaign financial disclosure reporting requirements outlined in the following section of this Handbook.
VII. Resigning as Treasurer

A. Documents Required

To resign, a treasurer must submit the following to all board(s) of elections where the committee(s) is registered:

1. A campaign financial disclosure resignation report; and either a CF-18 or CF-01 form, as applicable; and -

Resignation is not complete until approval is granted in writing by NYSBOE and/or by local board(s) of elections as applicable. For time frames, consult NYCRR 6200.7 of the Rules and Regulations of NYSBOE.

Reports and Forms

Electronic Filers with NYSBOE

Electronic filers with NYSBOE must submit a fully completed paper Termination or Resignation Request Form (CF-18) when submitting a final campaign financial disclosure resignation report as described below:

- Itemized campaign financial disclosure report: An itemized report created using the Electronic Filing System (EFS) Software, whether filed as an attachment to an email, or filed by mail on diskette, CD or DVD;
- Online reports: One of the limited types of non-itemized reports which can be filed online (i.e., In-Lieu-Of Statement, if qualified, or No-Activity Report) at www.elections.ny.gov.

A No-Activity Report can also be submitted on a paper CF-18 form. The CF-18 form must be completed in its entirety with the appropriate “Filing Period” and “Treasurer Resignation Report” boxes checked.

The fully completed CF-18 form must contain an original signature and be submitted by mail or in person to:

New York State Board of Elections
Campaign Finance Unit
40 North Pearl Street, Suite 5
Albany, NY 12207-2729

The Electronic Filing System (EFS) Software does not contain a designation (i.e., report type) for campaign financial disclosure resignation reports in conjunction with a treasurer resignation. As such, a campaign financial disclosure report submitted electronically that is intended to be a resignation report cannot be processed as a resignation report without submitting the completed CF-18 form. NYSBOE would not otherwise know that the filer intended the submitted report to be its resignation report.

Forms submitted by fax or by an electronic file attached to an email will be rejected.

Local Electronic Filers

Local filers who file electronically with city/county board(s) of elections should contact that board for any local resignation requirements.
Paper Filers with Any Board of Elections

Filers with a local board of elections, or filers with NYSBOE with an exemption to file on paper, who submit a paper CF-01 form for resignation purposes must complete the cover page of the CF-01 form in its entirety with the appropriate “Filing Period” and “Treasurer Resignation Report” boxes checked.

The fully completed CF-01 form must contain an original signature and be submitted by mail or in person to the applicable board(s) of elections.

Time Period of Transactions Required on Resignation Reports

Any regularly scheduled filing, including election reports or periodic reports, can be designated as a treasurer resignation report. At other times, a treasurer can submit an off-cycle campaign financial disclosure resignation report. An off-cycle campaign financial disclosure report is defined as a report which does not correspond to any specific filing period.

The resignation report must include all transactions from the cut-off date of the last report filed, up to the effective date of resignation.

A resignation will not be processed unless all requirements for resignation are met; this includes the filing of all delinquent reports.

Resignation Letter Requirements

In addition to submitting a copy of their letter of resignation to NYSBOE or any local board(s) of elections where the treasurer is required to file disclosure reports, the treasurer must also provide a copy of their letter of resignation to the appropriate committee chairperson or, if no such individual, the appropriate management of their organization.

Treasurers of a candidate's authorized committee must also provide a copy of the letter of resignation to the candidate.

Upon the effective date of resignation, or upon the death of the treasurer, no member of the committee may receive or spend funds until a new treasurer is chosen, and an amended Committee Registration/Treasurer and Bank Information form (CF-02) is submitted.

The new treasurer must file amended CF-02, and CF-03 forms if applicable, within two days of any changes to information contained therein.

Bank Freeze

Where a treasurer resigns and a new treasurer has not been designated, NYSBOE will place a bank freeze on the account until a new treasurer is designated.
B. Records Transfer and Retention Upon Treasurer Resignation

Record transfer: The resigning treasurer is expected to fully cooperate in the transition to the new treasurer. The resigning treasurer should turn over all accounts, checkbooks and records to the new treasurer, maintaining a copy for themselves, immediately after completing the resignation process.

Records retention: In accordance with NYS Election Law Section 14-118, every political committee shall have a treasurer and a depository (bank), and shall cause the treasurer (active and/or resigned) to keep detailed, bound accounts of all receipts, transfers, loans, liabilities, contributions and expenditures made by the committee or any of its officers, members or agents, acting under its authority or on its behalf, for a period of five years from the date of the filing of the final report with respect to the election, primary election or convention to which they pertain.

These requirements regarding records retention also apply to candidates as well.

C. Obligation to File Until Resignation Process Complete

Treasurers are required to continue to file all applicable campaign financial disclosure election reports, as well as all periodic reports, with NYSBOE and/or local boards until the resignation requirements have been met.

Resignations must be processed separately with each board where the filer is registered. Resignation with one board does not equal resignation with another board.

Furthermore, resignation with a local board of elections does not constitute resignation with NYSBOE.

Additionally, simply submitting a letter of resignation does not fulfill all of the requirements necessary for a treasurer resignation. A treasurer has a continuing obligation to file campaign financial disclosure reports with the applicable board(s) of elections until he or she successfully resigns and the resignation is approved in writing by NYSBOE and/or by local board(s) of elections as applicable.

Resignations are subject to review and approval by the board(s) of elections for compliance with the applicable statutes and rules and regulations of NYSBOE, and are not deemed final until appropriate processing has taken place. If all requirements are not met, filers will receive a letter outlining remaining issues to be resolved to qualify for resignation.

All previously required reports must have been submitted. Additionally, letters of forgiveness/indebtedness, if not previously submitted, must also be provided.
These graphics are intended to provide an easy-to-understand overview of a portion of campaign financial disclosure reporting requirements outlined in the following section of this Handbook.
VIII. TERMINATING FILING OBLIGATIONS

Inside Part One, Section VIII:
- Documents Required to Terminate Filing Obligations
- Additional Criteria for Termination
- Obligation to File Until Termination Process Complete
- Records Retention

A. Documents Required

Termination ends a filer’s obligation to file campaign financial disclosure reports with the appropriate board(s) of elections.

In order to terminate, a filer must complete a series of steps. The first step in the termination process begins with a request from the filer that is reviewed at the applicable board(s) of elections. All filing obligations continue until the termination process is finalized and approved by NYSBOE and/or the applicable board(s).

Reports and Forms

Electronic Filers with NYSBOE

Electronic filers with NYSBOE must submit by mail or in person a fully completed paper Termination or Resignation Request Form (CF-18) when submitting a campaign financial disclosure termination report as described below:

- **Itemized campaign financial disclosure report**: An itemized report created using the Electronic Filing System (EFS) Software, whether filed as an attachment to an email, or filed by mail on diskette, CD or DVD; or -

- **Online reports**: One of the limited types of non-itemized reports which can be filed online (i.e., In-Lieu-Of Statement, if qualified, or No-Activity Report) at [www.elections.ny.gov](http://www.elections.ny.gov).

A No-Activity Report can also be submitted on a paper CF-18 form.

The CF-18 form must be completed in its entirety with the appropriate “Filing Period” and “Termination Report” boxes checked.

The fully completed CF-18 form must contain an original signature and be submitted by mail or in person to:

New York State Board of Elections
Campaign Finance Unit
40 North Pearl Street, Suite 5
Albany, NY 12207-2729

The Electronic Filing System (EFS) Software does not contain a designation (i.e., report type) for termination reports. As such, a campaign financial disclosure report submitted electronically that is intended to be a termination report cannot be processed as a termination report without submitting the completed CF-18 form. NYSBOE would not otherwise know that the filer intended the submitted report to be its termination report.

Forms submitted by fax or by an electronic file attached to an email will be rejected.

Local Electronic Filers

Local filers who file electronically with city/county board(s) of elections should contact that board for any local termination requirements.
Paper Filers with Any Board of Elections

Filers with a local board of elections, or filers with NYSBOE with an exemption to file on paper, who submit a paper CF-01 form for termination purposes must complete the cover page of the CF-01 form in its entirety with the appropriate “Filing Period” and “Termination Report” boxes checked.

The fully completed CF-01 form must contain an original signature and be submitted by mail or in person to the applicable board(s) of elections.

Time Period of Transactions Required on Termination Reports

Any regularly scheduled filing, including election reports or periodic reports, can be designated as a termination report. At other times, a filer can submit an off-cycle campaign financial disclosure report for termination purposes. This, however, is subject to the mid-cycle termination restrictions described on the next page. An off-cycle campaign financial disclosure report is defined as a report which does not correspond to any specific filing period.

The termination report must include all transactions from the cut-off date of the last report filed, up to the effective date of termination.

A termination will not be processed unless all requirements for termination are met, including filing of all delinquent reports. A termination is not complete until NYSBOE and/or applicable local board(s) provide approval.

Termination Restrictions on Constituted Committees

Constituted committees do not generally cease to exist except in extreme circumstances. As such any constituted committee that desires a termination should consult with NYSBOE for further details.

B. Additional Criteria for Termination

In addition to documentation required for termination as previously indicated, in order to terminate, filers must also have:

- Submitted all previously required campaign financial disclosure reports; and -
- An ending cash balance of $0 in the bank account, which also must be reflected in the filer’s final campaign financial disclosure termination report; and -
- All outstanding loans or liabilities repaid or forgiven, including submission of letters of forgiveness. Any forgiven loans or liabilities are subject to applicable contribution limits.; and -
- In order to qualify for termination, there can be no negative cash balance on any report.

When Funds Remain

Before termination can occur when there is money remaining in the filer’s account, the funds must be legally dispersed. To do so, funds can be:

- Contributed to a charity recognized by the Internal Revenue Service, but not where the filer or a member of the filer’s family controls the charity or has decision making powers therein; or-
- Contributed to a candidate or a political committee, subject to the recipient candidate’s or committee’s receipt limit; or-
- Transferred between two authorized committees solely supporting the same candidate; or to a party or constituted committee where the filer making the transfer is a candidate or candidate’s authorized committee. Transfers are not subject to a limit; or-
- Refunded on a pro-rated basis to all contributors.

Judicial candidates/committees have significant restrictions on the disbursement of remaining funds. As such, they should consult the Judicial Campaign Ethics Center, 888-600-5232 or www.nycourts.gov/ip/jcec.
Forgiven Loans or Liabilities

Loans or liabilities that are forgiven are considered contributions for limit purposes, and are subject to contribution limits for the applicable election or calendar year cycle.

Forgiveness can result in the receipt of an over-contribution, if the amount forgiven:

- Is, in and of itself, greater than the applicable contribution limit, or -
- When added to the previous contribution(s) of the contributor who is forgiving the loan or liability, results in an aggregate amount that is greater than the applicable contribution limit.

Filers are strongly cautioned to consider the applicable contribution limit as applied to the amount to be forgiven, as well as cautioned to review the contribution history of the particular contributor who will be forgiving a loan or liability.

Required letters of forgiveness: Additionally, letters of forgiveness/indebtedness, if not previously submitted, must also be provided.

Mid-Cycle Termination Restrictions

Candidates or committees that are obligated to submit reports for a particular election cycle (e.g., primary, general and/or special) cannot terminate mid-cycle.

They must submit all required reports for that election, and can only terminate, if qualified to do so, when submitting the applicable post-election campaign financial disclosure report at its scheduled filing date (i.e., 10-day post-primary, or 27-day post-general/special).

Termination Procedures

In order to qualify to terminate a committee there can be no negative cash balance on any report. Filing obligations continue until the termination request has been approved by NYSBOE. (EL 14-108(1); NYCRR 6200.2(b))

C. Obligation to File Until Termination Process Complete

Filers are required to continue to file all applicable campaign financial disclosure election reports, as well as all periodic reports, with NYSBOE and/or local boards until the termination requirements have been met and NYSBOE and/or applicable local board(s) of elections have approved the request.

Terminations must be requested and processed separately with each board where the filer is registered. Termination with one board does not equal termination with another board.

Furthermore, termination with a local board of elections does not constitute termination with NYSBOE.

Terminations are subject to review and approval by the board(s) of elections for compliance with the applicable statutes and rules and regulations of NYSBOE, and are not deemed final until appropriate processing has taken place. If all requirements are not met, filers will receive a letter outlining remaining issues to be resolved to qualify for termination.

Additionally, simply closing a filer’s bank account does not terminate that filer’s obligation to continue to file campaign financial disclosure reports with the applicable board(s) of elections until they successfully terminate. Filers will receive a letter outlining any remaining issues to be resolved to qualify for termination, if applicable.

Liabilities remaining: If the post-election report or the last report filed shows assets or liabilities remaining, the candidates must continue to file periodic reports until there are no assets or liabilities, at which point termination may be requested.
**D. Records Retention**

**Treasurers:** Every political committee shall have a treasurer and a depository (bank), and shall cause the treasurer (active and/or resigned) to keep detailed, bound accounts of all receipts, transfers, loans, liabilities, contributions and expenditures, made by the committee, or any of its officers, members or agents, acting under its authority or on its behalf, for a period of five years from the date of the filing of the final report with respect to the election or convention to which they pertain.

**Candidates:** These requirements regarding records retention also apply to candidates filing campaign financial disclosure reports, as well.

As such, records must be maintained upon approved termination for the required period of time outlined herein. (EL 14-118)

IX. NON-COMPLIANCE & PENALTIES

Inside Part One, Section IX:

- Financial and Criminal Penalties for Non-Compliance

There are significant consequences for both treasurers and candidates, which may include penalties, for failure to comply with the requirements of the NYS Election Law relating to campaign financial disclosure reports as outlined in this Handbook. This includes failure to file required campaign financial disclosure reports.

Financial and Criminal Penalties

NYSBOE or a local board of elections may institute a judicial proceeding (i.e., lawsuit) to obtain filing compliance as well as a financial penalty, plus costs and disbursements, for bringing the proceeding. The maximum financial penalty obtained in a judgment has been increased. Penalties for each individual failure to file or multiple failures to file by a treasurer or candidate are outlined below. (EL 14-126(1)). Interest will accrue on unpaid judgments as provided by law.

In addition to the financial penalties outlined herein, there may be associated criminal penalties for failure to comply with the requirements of NYS Election Law relating to campaign financial disclosure reports, as the case may be. Any person who willfully and knowingly violates any provision of NYS Election Law pertaining to campaign financial disclosure or contribution limits may be guilty of a misdemeanor and/or a felony. (EL 14-126(4); Penal Law 210.45.), as the case may be.

Violations; Penalties

1. Any person who fails to file a statement required to be filed by this article shall be subject to a civil penalty, not in excess of $1,000, to be recoverable in a special proceeding or civil action to be brought by NYSBOE or other board of elections. Any person who, three or more times within a given election cycle for such term of office, fails to file a statement or statements required to be filed by this article, shall be subject to a civil penalty, not in excess of $10,000, to be recoverable as provided for in this subdivision.

2. Any person who, acting as or on behalf of a candidate or political committee, under circumstances evincing an intent to violate such law, unlawfully accepts a contribution in excess of a contribution limitation established in this article, shall be required to refund such excess amount and shall be subject to a civil penalty equal to the excess amount plus a fine of up to $10,000, to be recoverable in a special proceeding or civil action to be brought by NYSBOE.

3. Any person who knowingly and willfully fails to file a statement required to be filed by this article within ten days after the date provided for filing such statement or any person who knowingly and willfully violates any other provision of this article shall be guilty of a misdemeanor.

4. Any person who knowingly and willfully contributes, accepts or aids or participates in the acceptance of a contribution in an amount exceeding an
applicable maximum specified in this article shall be guilty of a misdemeanor.

5. Any person who shall, acting on behalf of a candidate or political committee, knowingly and willfully solicit, organize or coordinate the formation of activities of one or more unauthorized committees, make expenditures in connection with the nomination for election or election of any candidate, or solicit any person to make any such expenditures, for the purpose of evading the contribution limitations of this article, shall be guilty of a class E felony.

**Treasurer’s Responsibility**

Penalties for a committee’s failure to file are the personal responsibility of the treasurer. Judgments are obtained and entered against the treasurer, not the committee, or the candidate if the committee is a candidate’s authorized committee. However, the penalties can be paid for by the committee and should be reported as an expenditure. (EL 14-118 (1))

**Candidate’s Responsibility**

When a candidate has individual campaign financial disclosure requirements, which may include the filing of a Candidate’s Authorization for Committee to Make All Campaign Financial Disclosures form (CF-16), the candidate’s failure to file is the personal responsibility of the candidate, not of any committee or treasurer. Such judgments for penalties would be obtained and entered against the candidate. These judgments can occur regardless of whether or not the candidate has an authorized committee with its own separate and distinct disclosure requirements, and regardless of whether or not the authorized committee has actually made its filing. In addition, the penalty is applicable to each filing period in which the candidate has not yet filed his or her CF-16 form or campaign financial disclosure report, as the case may be. Additionally, candidates who do not have an authorized committee, and who fail to make their own required filings, will be subject to penalties for each filing that is not made.
Part Two — Electronic Filing with NYSBOE
Filers may visit the website www.elections.ny.gov to download the Electronic Filing System (EFS) Software. On the home page, select Campaign Finance, then select File Disclosure Reports. See the following section of this Handbook for details.
I. INTRODUCTION TO ELECTRONIC FILING

Inside Part Two, Section I:

- Highlights of Electronic Filing System (EFS) Software
- Technical Assistance

A. EFS Highlights

Candidates/treasurers must submit campaign financial disclosure reports electronically either by diskette, CD or DVD; or by email attachment, using NYSBOE’s Electronic Filing System Software.

Electronic Filing Software User/Reference Guides are available under the Campaign Finance heading at NYSBOE’s website: www.elections.ny.gov.

The User/Reference Guides, contain information on:
- Downloading and installing Electronic Filing System software
- Creating a report/file
- Entering schedule data
- Printing reports
- Saving reports
- Sending/submitting reports to NYSBOE

Submission of Disclosure Reports

Electronic filings may be submitted to NYSBOE in one of two ways:
- As an email attachment to: efsfiling@elections.ny.gov
- Via mail on diskette, CD or DVD to: Campaign Finance Unit 40 North Pearl Street, Suite 5 Albany, New York 12207-2729

Consult the Electronic Filing Software Reference Guides at www.elections.ny.gov, for specific instructions on submission of electronic filings to NYSBOE.

Report Period Codes

When using EFS software for report submission, created reports are assigned a file name according to the following codes. Do not rename your report.

A = 32-Day Pre-Primary
B = 11-Day Pre-Primary
C = 10-Day Post-Primary
D = 32-Day Pre-General
E = 11-Day Pre-General
F = 27-Day Post-General
G = 32-Day Pre-Special
H = 11-Day Pre-Special
I = 27-Day Post-Special
J = January Periodic
K = July Periodic
L = Off Cycle
X,A = Amended Report (where X = any letter above)

Technical Assistance

For technical questions, contact the NYSBOE Information Technology Help Desk at (518)474-8200 or 1-800-458-3453 or by email at: efshelp@elections.ny.gov. To request a CD of the software, contact Campaign Finance at 1-800-458-3453.
Overview of Electronic Filing

The Electronic Filing Software Reference Guides to using EFS contain specific instructions on:

- Downloading and installing Electronic Filing System software;
- Using the EFS program;
- Logging in;
- Creating a report/file;
- Entering schedule data;
- Printing reports;
- Exporting (save to file) a report;
- Sending/submitting reports to NYSBOE;
- Verifying receipt and accuracy of transmitted reports; and
- Technical assistance.

Filer ID# and PIN

Before NYSBOE can accept a campaign financial disclosure report, a candidate or treasurer must first register by submitting the appropriate registration forms. (See “Who Must File & What Must Be Filed?” section of this Handbook for more details.) The filer will then be assigned a Filer Identification Number (Filer ID#) and Personal Identification Number (PIN).

A filer must not use the NYSBOE software to prepare a report for filing before receiving a Filer ID# and PIN from NYSBOE. A filer who does so will have to re-enter all data in the report, as reports prepared without a correct Filer ID# and PIN cannot be uploaded into the database. Since a PIN serves as an electronic signature, PIN use is mandatory to authenticate a filing.

Online Filing Options

Filers registered with NYSBOE can submit the following reports on paper, or choose to submit them online:

- In-Lieu-Of Statement;
- No-Activity Reports;
- 24-Hour Notice; and
- Notice of Non-Participation in Election(s) by a Registered PAC, Party or Constituted Committee

However, the Electronic Filing System (EFS) Software cannot be used to create/submit these reports online. They can only be electronically created and submitted online at www.elections.ny.gov:

CLICK. (Campaign Finance)
CLICK. (File Disclosure Report)
Select the appropriate report
Follow the step-by-step instructions (Filer ID# and PIN needed)

Additional Requirements for Electronic Filers Resigning/Terminating

The filer must submit a fully completed paper Termination or Resignation Request Form (CF-18) if the filer’s report is intended to be either a treasurer resignation report or a termination report as described below:

- An itemized report created using the Electronic Filing System (EFS) Software, whether filed as an attachment to an email or filed by mail on diskette, CD or DVD; or
- A report filed online (i.e., In-Lieu-Of Statement, if qualified, or No-Activity Report)

The fully completed form must contain an original signature and be submitted by mail to NYSBOE. A resignation or termination cannot be requested otherwise or processed without submitting the completed CF-18. Forms submitted by fax or by an electronic file attached to an email will be rejected. A resignation or termination can only be granted by NYSBOE, and is not effective until so granted. (See “Resigning as Treasurer” or “Terminating Filing Obligations” section in this Handbook for more details.)
**Ongoing Filing Obligation**

Filers are required to continue to file all applicable campaign financial disclosure election reports, as well as all campaign financial disclosure periodic reports, with NYSBOE and/or local boards until termination has been requested. Termination must be requested and processed separately with each board where the filer is registered. Termination with one board does not equal termination with another board. Additionally, simply closing a filer’s bank account does not terminate that filer’s obligation to continue to file campaign financial disclosure reports with the applicable board(s) of elections until he or she successfully terminates. (See “Resigning as Treasurer” or “Terminating Filing Obligations” section in this Handbook for more details.)

**Important Information for Certain Local Filers**

For ongoing, existing local filers making a FIRST electronic filing with NYSBOE, the following information addresses how to capture electronically the filer’s previous ending cash balance.

However, for a local filer whose initial report is being made both locally and with NYSBOE, the following information does not apply since they will not have an initial balance to be carried forward from a previous report.

Effective in 2005, active local filers (candidates and/or committees) filing with a local board of elections, who also become obligated to file electronically with NYSBOE because they are raising or spending or expect to raise or spend more than $1,000 in a calendar year, must comply with the following, if they have not already done so:

**Initial Electronic Filing: Carrying Forward Balance from Previous Paper Filing**

- Initial electronic filing must contain the ending cash balance of the most recent paper filings made at the local board of elections. Failure to do so will result in the initial filing and all future filings to have incorrect balances. In order to properly carry forward the ending cash balance onto the first electronic filing, local filers are required to do a one-time entry on Schedule G (Transfers-In). To do so, the following information must be entered on Schedule G:

  - **Date** – Use the cut-off date of this filing as the first campaign financial disclosure report for NYSBOE (e.g., January 11, 20XX— is the cut-off date for January 15, 20XX periodic campaign financial disclosure report).
  - **Transfer Type** – Use Type 2 (Committee Solely Supporting Same Candidate).
  - **Name** – Treasurers will list their committee name. Candidates filing their own report will list their name.
  - **Amount** – Record the ending cash balance from the last paper report filed with the local board of elections.

Check the NYSBOE website to verify that the data and the ending cash balance are correct. Failure to make the one-time entry on Schedule G will result in an incorrect balance, which will carry forward to future filings and may prevent a filer from terminating.

**Requesting an Electronic Filing Exemption Form (CF-19)**

To request an exemption from filing electronically with NYSBOE, a filer must complete and submit an Application for Electronic Filing Exemption (CF-19) form to NYSBOE. The CF-19 must be submitted by mail, on paper with an original signature. Forms submitted by fax or by an electronic file attached to an email will be rejected. An exemption can only be granted in writing by NYSBOE, and is not effective until so granted.
Note: Paper reports submitted without an Exemption formally granted in writing by NYSBOE will be rejected and returned. This may result in a filer being subject to a penalty for late filing or non-filing.

Exemptions are rarely granted. To qualify for an exemption from the electronic filing requirement, which is a special and limited permission to submit reports on paper, filers must meet both of the following criteria and submit a CF-19 (Application for Electronic Filing Exemption):

1. Filer does not have access to the technology necessary to comply with the electronic filing requirement. “Access to the technology” is defined as the ownership and/or the ability to access a computer with a windows-based operating system capable of complying with electronic filing requirements; and
2. Filing electronically would cause a substantial hardship. “Substantial hardship” is defined as the financial inability of the Committee and/or the Candidate to purchase and/or acquire access to the technology (i.e., a computer) necessary to comply with the electronic filing requirements.

It is not the obligation of a treasurer or a candidate submitting his/her own reports to use personal funds to provide access to technology (i.e., buying a computer). Committee funds may be used to purchase a computer. If the committee or the candidate, based upon contributions received, has a significant cash balance on hand at the time of the application, they will not meet the substantial hardship criteria. (A low cash balance is not determinative of “substantial hardship”. The amount of money raised or spent by a candidate or committee as shown in past reports, is the determining factor.)

- A filer does not need Internet access or email to submit reports electronically. Reports can be submitted by mail on diskette, CD or DVD.
- If an exemption is granted, the filer must submit all required campaign financial disclosure election reports and all periodic reports on paper using the CF-01 Campaign Financial Disclosure Report, which must contain an original signature together with all applicable Schedules and a Summary and Status Report.
- An exemption from electronic filing does not exempt the filer from having to file at all – all necessary reports are still required to be filed.
- The exemption, if granted, is only for the specified period of time granted as stated in NYSBOE’s written response to the application. Upon expiration, reports must be submitted electronically, unless another exemption request has been submitted and approved.
- An Application for Electronic Filing Exemption (CF-19) must be submitted to NYSBOE at least 30 days prior to the filing due date or the expiration date of a previously granted exemption.
- Filers who receive an exemption are obligated to inform NYSBOE of any change in circumstances (i.e., substantial increase in cash balance and/or receipts and expenditures) which would disqualify the committee/candidate from the exemption for electronic filing. NYSBOE may revoke the exemption at any time.

FORM CF-03 INSTRUCTIONS

This form must contain original signature(s) in ink and be notarized or subscribed to. Copies of signatures, including those on faxes, PDFs, or other electronic files, are not acceptable.

- All committees that are taking part in the campaign of any candidate by making direct expenditures on the candidate’s behalf must complete this form. It should be filed together with the Committee Registration/Treasurer and Bank Information form (CF-02).

- Enter the name of the committee. If an acronym is used in the name of the committee (e.g. “NYSBOE” = “New York State Board of Elections”), please also spell out the acronym in the space provided.

Section A: List candidate(s), including residential address(es), who have authorized you to be a committee for their campaign. This means the candidate(s) have affirmatively acknowledged to you that your committee is authorized to aid or take part in their campaign, which includes raising and spending money on their behalf. The authorization is determined by the candidate(s), not the committee. The mere fact that the candidate(s) know that your committee is conducting activity relative to their campaign does not constitute authorization.

Note: The candidate(s) listed in this section may need to file the Candidate’s Authorization for a Committee to Make All Campaign Financial Disclosures form (CF-16). See form CF-16 for clarification.

Section B: List candidate(s) who have not authorized your committee to aid or take part in their campaign as explained above. Residential address(es) are not required.

- If your committee aids or takes part in the election or nomination of candidates only by making contributions and does not otherwise aid or take part in their campaign through direct expenditures, then you do not file this form (e.g. PAC’s do not file this form).

- This form is required to be filed prior to the first election to which it relates and will remain in effect for each subsequent election. However, if any information provided on this form changes, other than the year of election, then you must file an amended form.
This form should only be used by candidates to register with NYSBOE to obtain a Filer ID# and PIN in one of two circumstances:

(1) The candidate does not have a registered authorized committee that will be disclosing all of the financial activity of the candidate’s campaign, including the financial activity of the candidate.

(2) The candidate has a registered authorized committee, but chooses to have financial activity for the campaign that will not be disclosed by the authorized committee.

Candidates who have an authorized committee that is registered and will be disclosing ALL of the financial activity of the candidate’s campaign, including the financial activity of the candidate, should not file this form. Instead, that candidate should file a CF-16 form no later than 32 days prior to the first election for which the candidate would be obligated to file reports.

Please check the applicable box:

[ ] I do not have an authorized committee. I am therefore required to personally disclose all the financial activity of my campaign, including any use of my own funds.

- You are a candidate with a registered authorized committee AND you have additional financial activity that will not be reported by your committee and you need a Filer ID# and PIN to file electronically with NYSBOE. Candidates with a registered authorized committee that have, or plan on having, any financial activity, including the financial activity of the candidate, that will not be disclosed by the committee are required to disclose this other financial activity by filing financial disclosure reports on the required filing dates. CF-05 03/10
FORM CF-05 INSTRUCTIONS
This form must contain original signature(s) in ink and be notarized or subscribed to. Copies of signatures, including those on faxes, PDFs, or other electronic files, are not acceptable.

A candidate or committee must file this form at each appropriate board of elections where the candidate or committee is required to file campaign financial disclosure reports.

For State Campaign: Check this box for candidates or committees supporting or opposing candidates for New York State Governor, Lt. Governor, State Comptroller, State Attorney General, State Senate, State Assembly and State Supreme Court, as well as those solely supporting or opposing statewide ballot propositions.

For Local Campaign: Check this box for all other offices and local ballot propositions, and list the county name where the local office is being sought or the ballot proposition is appearing. Candidates or committees supporting or opposing such candidates or ballot propositions can file this form with the appropriate local board of elections, or village clerk where the village clerk runs the election.

Item A: Candidates for statewide office must provide the office sought, district number if applicable and election year. Local candidates must provide the office sought, including the name and type of municipality (e.g., City of Newburgh; Town of Colonie; Village of Scotia). The district and election year must also be provided.

Item B: Enter the name of the candidate or committee. Please provide a residential address, a mailing address if different, phone number and e-mail address of the candidate or treasurer. P.O. Box not allowed for residential address.

Item C: Candidates who do not receive or spend more than $50 (this threshold includes their own personal funds), including candidates for county committee of a political party or for delegate or alternate delegate to a judicial district convention, must inform the appropriate board(s) of elections in writing of this fact.

Item D: A committee formed solely to support or oppose a ballot issue, that does not raise or spend over $100, is not required to file campaign financial disclosure reports.

Item E: Candidates and authorized committees solely supporting one candidate for public office, or solely supporting or opposing a ballot proposition, in towns, cities or villages having a population under 10,000, where the candidate and/or committee does not raise or spend in excess of $1,000 in the aggregate for the campaign, are not required to file campaign financial disclosure reports. This threshold includes the personal funds of the candidate.

Note: This exemption may become invalid, requiring registration and filing of campaign financial disclosure reports with the applicable state, county and/or city board(s) of elections, if the candidate or committee supports or opposes candidates or ballot propositions outside of the applicable jurisdiction.

Note: For a town or village, ballot propositions not submitted to the voters of that municipality at the time of a general election fall outside the scope of NYS Election Law. Therefore, committees solely supporting ballot propositions in a town or village taking place other than in November do not have to make campaign financial disclosures relative to their ballot proposition activity. In this instance, this form does not have to be filed.

Schedule A

Schedule A is used to report all monetary contributions from individuals and partnerships. Funds received from candidate(s) and their spouses, as well as contributions from relatives (family member) of the candidate, are also reported on this schedule.

Itemized Contributions – whenever any contributor makes a contribution to a candidate or political committee that exceeds $99 by itself, or the contributor makes a contribution that causes the aggregate of his/her contributions to exceed $99 for the campaign/election cycle for candidates and their committees, or for the calendar year for constituted and party committees and PACs, then the candidate or political committee that is disclosing the contributions must itemize those contributions.

Unitemized Contributions - whenever any contributor makes a contribution to a candidate or political committee, and the contribution or the aggregate contributions of the contributor to the recipient do not exceed $99 for the calendar year or election cycle, then the contribution does not have to be itemized on the campaign financial disclosure report covering the date in which the contribution was made. The contribution can instead be reported as an “Unitemized” Contribution. All unitemized contributions for the reporting period should be added together and listed as “Total Unitemized Contributions” on the last page of Schedule A. The filer, however, may choose to itemize contributions that qualify to be reported as Unitemized Contributions.”

See Frequently Used Terms in this Handbook for additional details on Itemized/Unitemized contributions.

- Provide the total of previous contributions from this contributor, received during the relevant time period. If the total exceeds $99.00, you must then itemize those contributions. For PACs and party committees, the relevant time period is the calendar year. For all other committees, the relevant time period is the campaign cycle.
- Provide the total monetary contributions for each page.
- Total all pages of Schedule A in the “Total Itemized Expenditures” box. Place the total of all unitemized expenditures (from your records) in the “Total Unitemized Expenditures” box. Schedule B

Schedule B is used to report all monetary contributions from corporations (e.g., Corp./Inc./PC). See this Handbook for important information on corporate contributions.

Note: Limited Liability Company (LLC) contributions are reported on Schedule C.

Itemized Contributions – whenever any contributor makes a contribution to a candidate or political committee that exceeds $99 by itself, or the contributor makes a contribution that causes the aggregate of his/her contributions to exceed $99 for the campaign/election cycle for candidates and their committees, or for the calendar year for constituted and party committees and PACs, then the candidate or political committee that is disclosing the contributions must itemize those contributions.

Unitemized Contributions - whenever any contributor makes a contribution to a candidate or political committee, and the contribution or the aggregate contributions of the contributor to the recipient do not exceed $99 for the calendar year or election cycle, then the contribution does not have to be itemized on the campaign financial disclosure report covering the date in which the contribution was made. The contribution can instead be reported as an “Unitemized” Contribution. All unitemized contributions for the reporting period should be added together and listed as “Total Unitemized Contributions” on the last page of Schedule B. The filer, however, may choose to itemize contributions that qualify to be reported as “Unitemized Contributions.”

See Frequently Used Terms in this Handbook for additional details on Itemized/Unitemized contributions.

- Provide the date the monetary contribution was received.
- Provide the complete name and address of contributor.
- Provide the check number (if applicable) and amount.
- Provide the total of previous contributions from this contributor, received during the relevant time period. If the total from the contributor exceeds $99.00 for that reporting period or for the relevant time period for the filer, those contributions must be itemized. For PACs and party committees, the relevant time period is the calendar year. For all other committees, including candidates, the relevant time period is the campaign cycle. See “Itemized/Unitemized” in the Frequently Used Terms section of the Handbook for details.
- Provide the total monetary contributions for each page.
- Total all pages of Schedule B in the “Total Itemized Expenditures” box. Place the total of all unitemized expenditures (from your records) in the “Total Unitemized Expenditures” box. Add the itemized and unitemized amounts and enter the amount in “Schedule Total”. Forward the schedule total to line 2b of the summary page.

Schedule C

Schedule C is used to report all monetary contributions from other entities not captured on Schedules A and B, including political committees, unincorporated unions and unincorporated associations. Limited Liability Companies (LLCs) are also reported on Schedule C.

(Funds provided by party/constituted committees to candidates are transfers, not contributions, and should be reported on Schedule G.)

Itemized Contributions – whenever any contributor makes a contribution to a candidate or political committee that exceeds $99 by itself, or the contributor makes a contribution that causes the aggregate of his/her contributions to exceed $99 for the campaign/election cycle for candidates and their committees, or for the calendar year for constituted and party committees and PACs, then the candidate or political committee that is disclosing the contributions must itemize those contributions.

The contribution can instead be reported as an "Unitemized" Contribution. All unitemized contributions for the reporting period should be added together and listed as “Total Unitemized Contributions” on the last page of Schedule C. The filer, however, may choose to itemize contributions that qualify to be reported as "Unitemized Contributions."

See Frequently Used Terms in this Handbook for additional details on Itemized/Unitemized contributions.

Schedule D

Schedule D is used to report in-kind (non-monetary) contributions and must be reported at fair market value. Schedule D is for in-kind contributions received; not in-kind contributions given. There are three types of in-kind contributions:

1) services/facilities provided;
2) goods, property and equipment given;
3) campaign expenses incurred that were paid by someone else.

Expenditures made by party/constituted committees on behalf of their candidates are not in-kind contributions and do not have to be reported by the candidates or their committees.

- Provide the date the non-monetary contribution was received.
- Provide the contributor code.
- Provide complete name and address of contributor.
- Provide the contribution type code (1, 2 or 3).
- Provide the amount of the in-kind contribution.
- Provide a brief description of the in-kind contribution at fair market value.
- Provide the page total.
- Provide the total itemized in-kind contributions for all pages.
- Provide the unitemized in-kind contributions from your records. These are in-kind contributions of $99.00 or less. They should be added together for the report period and listed as total unitemized contributions on the last page of Schedule D.
- Provide the schedule total of all itemized and unitemized in-kind contributions.
- Forward the schedule total to Line 2d of the summary page.

See Frequently Used Terms in this Handbook for additional details on Itemized/Unitemized contributions.

*Note:* For electronic filers with NYSBOE, in-kind contributions received by party/constituted committees for housekeeping ONLY are reported on Schedule P and out on Schedule Q simultaneously, with an explanation.

Expenditure/Payments

Schedule F is used to report all campaign expenses, and all political contributions to other candidates and political committees, other than transfers. Transfers Out are reported on Schedule H. (See “Frequently Used Terms” for definition of transfers.)

- Provide the date paid and check number.
- Provide the complete name and address of payee.
- Provide the appropriate purpose code. When using code "other", provide an explanation.
- Provide the amount of each entry.
- Provide the total for this page.
- Total all pages of Schedule F in the “Total Itemized Expenditures” box. Place the total of all unitemized expenditures (from your records) in the “Total Unitemized Expenditures” box. Add the itemized and unitemized amounts and enter the amount in “Schedule Total”. Forward the schedule total to line 6a of the summary page.

Itemized Expenditures - whenever any single expenditure exceeds $49.99, the filer must provide the following information on Schedule F (Expenditures/Payments); or, if applicable, on Schedule Q (Non-Campaign Housekeeping Expenses): Date, Check Number (if applicable), Name and Address of the Payee, the Amount, and the Purpose Code of the Expenditure.

Unitemized Expenditures- whenever any single expenditure is less than $50, the filer can simply include the amount in the “Total Unitemized Expenditures” box on Schedule F, or on Schedule Q if applicable. However, the filer may choose to itemize expenditures which otherwise qualify to be reported as Unitemized Expenditures. For credit card payments, or for reimbursements to individuals for campaign-related expenses, the filer must disclose the details for each expenditure over $49.99 that is part of the reimbursement or credit card payment.

See Frequently Used Terms in this Handbook for additional details on Itemized/Unitemized expenditures.

The law requires, in addition to other information, that a clearly stated purpose be provided. The following are the codes authorized for use on Schedule F including the definition of the code, and examples of the expenses for which you would use a particular code.

REPORT A REIMBURSEMENT ON SCHEDULE F USING EFS SOFTWARE (V. 5.1)

If you are reimbursing a person for non-personal services for something he/she purchased for the campaign from a vendor, or for credit card payments made for campaign expenses via credit card then you must report the transaction in the following two-step process:

Step 1:
Provide the payee information under the code “REIMB” (Reimbursement) for those reimbursements to individual or credit card expenditures.

1. Provide the date the reimbursed person or credit card payment was paid.
2. Select the purpose code “REIMB” (Reimbursement).
3. Enter the amount reimbursed.
4. Provide the complete name and address of payee (e.g., Sally Smith, Master Card).
5. Select the Method of payment from the drop down menu.
6. If the payment method is by check, enter the “Check#” in the “Check#/Ref#” box for the method of payment made to the payee (e.g., 123).

If a payment method other than by check is selected (e.g., debit or credit card, PayPal, wire transfer etc.) create a reference item and/or number; Debit 1, Credit 1, PayPal 1 etc. and enter it in the “Check#/Ref#” box to link the payee to the vendor.

Note: the reference item and/or number you create can be any combination of letters and numbers but must clearly link the payee and vendor.

Save this reimbursement transaction.

Note: you will remain on the Schedule F screen to proceed to Step 2.

Step 2:
Once this reimbursement entry has been saved, provide the vendor information under the code Reimbursement Detail (R-DET) for those individual expenditures included in the reimbursement to the payee.

1. Provide the date the vendor was paid.
2. Select the purpose code “R-DET” (Reimbursement Detail Item). The “Amount” and “Method” fields will automatically be blanked out for you.
3. Provide the complete name and address of the vendor.
4. If the payment method to the payee was by check, enter the “Check#” and provide an R after the check number used for the reimbursement item for the vendor (e.g., 123R) in the “Check#/Ref#” box.
5. In the “Explanation” field provide the amount for each vendor with the word “Memo” in front of it. (e.g., Memo: $120). Repeat Step 2 for each vendor item. The total memo amounts must equal the amount of the reimbursement paid to the payee.

If a payment method other than by check was used, (e.g., Debit or Credit, PayPal, etc.) provide an “R” after the reference item and/or number you created and enter it in the “Check#/Ref#” box (e.g., Debit 1R, Credit 1R, PayPal 1R etc.) along with the payee name. Continue to use the same reference item for each reimbursement detail item to link the vendor transactions to the payee.

Note: the reference item and/or number you created in Step 1 must clearly link the vendor with the payee.

Schedule H

Schedule H is used to report transfers out relating to:

Type 1: The exchange of funds between a party or constituted committee and a candidate or any of his/her authorized committees or vice versa;

OR

Type 2: the exchange of funds or anything of value between two committees authorized by, and solely supporting the same candidate in his campaign.

Reporting transfers on Schedule H decreases your balance.

- Provide the date paid for transfers out and the check number
- Provide the complete name and address of transferee
- Check the appropriate box for the type of transfer
- Provide the Amount of the Transfer
- Provide the transfer total for this page
- On the last page of this Schedule, place the total of all pages in the schedule total box. Forward the schedule total amount to line 6c of the summary page

Note: Any funds or anything of value paid or given to a committee other than as described above, are not transfers, and should be reported as expenditures on Schedule F, as applicable. (e.g., “Friends of John Doe” to “Citizens for Smith”).

PACs (Political Action Committees) must not use this schedule. Any monies given or paid for political purposes must be reported on Schedule F.
List any loans received during the reporting period. When submitting this schedule to the Board of Elections, a copy of the evidence of indebtedness for each loan must be attached to the report. If the loan was received from a lending institution, the evidence of indebtedness must include the name and address of any obligor of the loan, or any other person who endorses, co-signs, or otherwise provides security for such loan.
Schedule I is used to report loans received during the reporting period.

Evidence of indebtedness (a signed copy of a promissory note or a letter outlining loan details) for each loan, including loans from a candidate or candidate’s spouse, must be submitted in conjunction with the applicable report to local board(s) of elections or NYSBOE. Such evidence must include the name and address of the lender, the amount of loan, any interest to be charged and the repayment schedule. If the loan was received from a lending institution (or any other loan where applicable), the evidence of indebtedness must include the name and address of any co-signor, obligor or any other person providing security for or otherwise guaranteeing the loan.

- Provide the date of the loan and indicate if a bank loan.
- Provide the complete name and address of the lender, guarantor, or co-signer.
- Provide the loan amount.
- Provide the loan amount page total.
- On the last page of this schedule place the total of all pages in the schedule total box. Forward this amount to line 3c of the summary page.

Note: A loan made to a candidate or political committee, other than a constituted committee, by any person, firm, association or corporation other than in the regular course of the lender’s business (i.e., banks) shall be deemed, to the extent not repaid by the date of the primary, general or special election, as the case may be, a contribution by such person, firm, association or corporation.

A loan made to a candidate or political committee, other than a constituted committee, by any person, firm, association or corporation in the regular course of the lender’s business (i.e., banks) shall be deemed, to the extent not repaid by the date of the primary, general or special election, as the case may be, a contribution by the obligor on the loan and by any other person endorsing, cosigning, guaranteeing, collateralizing or otherwise providing security for the loan.

Loans can result in the receipt of an over-contribution for limit purposes, if the amount of the loan outstanding as of the date of the primary, general, or special election, as the case may be: 1) is, in and of itself, greater than the applicable contribution limit; or 2) when added to the previous contribution(s) of the contributor in that election cycle results in an aggregate amount for the applicable cycle which is greater than the contribution limit for that cycle.

Regardless of the above, the obligation to repay the outstanding loan remains and the filer must also continue to report the outstanding loan on Schedule N until it is repaid or forgiven.

Filers are strongly cautioned to consider the applicable contribution limit as applied to the amount of the loan outstanding, as well as cautioned to review the contribution history of the particular contributor who will be making the loan in order to avoid over-contributions for limit purposes.

Copy of evidence from vendor/lender indicating forgiveness must be attached.
Schedule K is used to report that a creditor or a lender has forgiven an outstanding debt. This includes any outstanding amounts owed to the candidate/committee which are forgiven by the candidate/lender.

- Provide the date forgiven and the original date of debt.
- Provide the complete name and address of the creditor/lender.
- Check box for liability or loan forgiven.
- Provide the amount of the liability/loan forgiven.
- Provide the total amounts of liabilities and loans forgiven for this page.
- On the last page of this schedule, place the Total of Liabilities and Loans Forgiven from all pages in the Schedule Total Box.

Note: Loans or liabilities that are forgiven are considered contributions for limit purposes, and are subject to contribution limits for the applicable election or calendar year cycle. Forgiveness can result in the receipt of an over-contribution, if the amount forgiven: 1) is, in and of itself, greater than the applicable contribution limit; or 2) when added to the previous contribution(s) of the contributor who is forgiving the loan or liability, results in an aggregate amount for the applicable cycle which is greater than the applicable contribution limit for that cycle.

Filers are strongly cautioned to consider the applicable contribution limit as applied to the amount to be forgiven, as well as cautioned to review the contribution history of the particular contributor who will be forgiving a loan or liability.

Status Report

Status Report—Paper Filers

Complete the heading of the status report.

Each report filed during a campaign cycle should list those contributions received and campaign expenses incurred for a particular reporting period (lines 8a and 9a), as well as aggregate to date totals for either the calendar year or campaign cycle as described below.

The purpose of the status of contributions and status of campaign expenses schedules is to enable one to examine the last report filed and to be able to determine the cumulative, to date amounts of all contributions and expenses for the campaign cycle.

**Status of Contributions**—This schedule will show all contributions received for the campaign less any contributions for the campaign that were refunded.

**Line 8a** is completed on your second through final reports for the campaign cycle (calendar year for PACs and party committees) by bringing forward the total from line 8e of your previous report.

**Status of Campaign Expenses**—This schedule will show all expenses paid for during the campaign, plus outstanding liabilities incurred for this campaign, less any refunds received that were previously expended for the current campaign.

**Line 9a** is completed on your second through final reports for the campaign cycle (calendar year for party committees) by bringing forward the total from line 9f of your previous report.

**Line 9i Allocation Section**—Party committees, constituted committees and authorized multi-candidate committees are required to allocate campaign expenses, among the candidates they support according to the relative benefit each candidate received from the expenditures. (These amounts are cumulative per candidate for the campaign cycle). Paper filers must include this information where indicated on the status report. Electronic filers must create and complete Schedule R.

Remember, candidates generally have either a two or four year campaign cycle. (See “campaign cycle” in the “Frequently Used Terms” section in this Handbook.)

When a committee spends its first dollar on a candidate for a particular election campaign, they list on this schedule the candidate’s name, the office, the district or municipality, and the allocated amount spent for that candidate.

On each subsequent report, this information is carried forward. As the committee spends more on a candidate, the amount will be increased accordingly.

After having reported the total spent on a candidate for a particular campaign, you will no longer carry forward this information.

**Status of Loans Made**—This section shows the current amount of loans made outstanding and the loan activity for the period. You must maintain a supporting documentation of any loans made including repayments and forgiveness.

The **Status of Housekeeping Receipts** and the **Status of Housekeeping Expenses**—Aggregate these items for the calendar year. These are used only by party and constituted committees.

To request termination of the committee or candidate’s filing obligation:

- Electronic filers with NYSBOE must submit this fully completed paper request form (CF-18) when submitting a final campaign financial disclosure termination report.
- A final itemized campaign financial disclosure report must be filed using the Electronic Filing System (EFS) Software, whether filed as an attachment to an email, filed by mail on diskette, CD or DVD, or a non-itemized campaign financial disclosure report (i.e., No-Activity Report) must be filed online at www.elections.ny.gov or by paper using this CF-18 form, if applicable.

- All outstanding loans or liabilities must have been repaid or forgiven, and required letters of forgiveness/indebtedness must have been submitted to the appropriate board(s).

Notes about termination: Termination can be requested with Periodic, Post-Primary, Post-General and Post-Special Election report filings. Termination can also be requested with an Off-Cycle report, which is defined as a report which does not correspond to any specific filing period. All applicable reports must continue to be filed until termination is approved by NYSBOE. Termination with a local board of elections does not constitute termination with NYSBOE.

- A treasurer’s final itemized campaign financial disclosure report created using the Electronic Filing System (EFS) Software, whether filed as an attachment to an email, or filed by mail on diskette, CD or DVD, or a non-itemized campaign financial disclosure report (i.e., No-Activity Report) must be filed online at www.elections.ny.gov or by paper using this CF-18 form, if applicable.

The new treasurer must submit amended CF-02, CF-03 and CF-16 forms, as applicable.

To file a No-Activity Report (non-itemized campaign financial disclosure report):
The Electronic Filing System (EFS) Software does not accommodate the filing of No-Activity Reports. Instructions

• A committee must be registered with NYSBOE before filing this Notice.

• This Notice may not be used to satisfy filing requirements from a previous election, and must be filed no later than 32 days prior to the primary and/or general election to which it applies.

• NYSBOE presumes that PACs, party committees and constituted committees will support or oppose candidate(s) for election by making contributions and/or direct expenditures, and therefore expects to receive the three election reports for a particular election (primary and/or general). However, if one of this limited group of committees will not be actively supporting or opposing candidate(s) in a particular election, it may submit a Notice of Non-Participation in Election(s), which informs NYSBOE of this status and that NYSBOE should not expect to receive campaign financial disclosure election reports for that particular election.

• The filing of this Notice does not preclude these committees from having other financial activity (raising and/or spending funds) during the applicable elections. However, the activity must not be to support or oppose candidate(s) in an election covered by this Notice. In the event such a committee, after submission of this Notice, supports or opposes candidate(s) in an election covered by this Notice, the committee must then file all applicable election reports.

• Committees are required to continue to file all Periodic campaign financial disclosure reports as set forth in the annual Campaign Financial Disclosure Filing Calendar available on line at www.elections.ny.gov. This Notice is only applicable to the above indicated election cycle(s) in the current year.
Part Four —
Frequently Used Terms
I. Frequently Used Terms

Inside Part Four, Section I:

This section contains terms used throughout the Handbook, as well as concepts which may be helpful in preparing campaign financial disclosure reports. Examples are only intended to be illustrative. They are not intended to be inclusive of all scenarios or factual situations.

24-Hour Notice - a required disclosure of any contribution or loan over $1,000, received the day after the cut-off date of the 11-day pre-election report up to election day.

- These notices apply to all primary, general and special elections and must be filed by any filer for a specific election in which they are required to file campaign financial disclosure reports.
- These notices must be received by the appropriate board(s) of elections within 24 hours of receipt of the contribution or loan in question.
- These notices are required because without them, there would be no public disclosure of large loans or contributions received during the period leading up to election day, which would otherwise only be first disclosed on the post-election campaign financial disclosure report.
- For filers with NYSBOE, these notices can be filed electronically at: www.elections.ny.gov or in person or by fax (518-486-6627). For local filers, these notices can be filed in person or by fax. Consult local boards of elections for further details.

Allocating Expenses - party committees, constituted committees and authorized multi-candidate committees are required to allocate campaign expenses among the candidates they support. These amounts must be aggregated for the campaign/election cycle. Electronic filers need to create and complete Schedule R. Paper filers will allocate expenses on the Status Report page, Section 9i.

Aggregate – multiple figures combined into one total amount.

Example 1: if a contributor gives a candidate for Assembly a $2,000 contribution in 2011 and another contribution of $1,800 in 2012, the aggregate contribution of that contributor is $3,800.
Example 2: For a particular election, if a contributor first gives a candidate a contribution of $50, and additional contributions of $50, $100 and $25, the aggregate contribution of that contributor is $225.

Amended Report – a campaign financial disclosure report (CF-01) that replaces a previously submitted campaign financial disclosure report (CF-01) for the purpose of making corrections or changes. For electronic filers with NYSBOE, a complete report must be submitted when making an amendment, because, presently, amended reports overwrite the previously submitted report in question. As such, simply filing only those transactions relative to the corrections or changes will result in an incomplete filing.

Anonymous Contributions – may not be accepted and must be turned over to the NYS Comptroller’s Office.

Attribution of Campaign Advertisements – NYS Election Law does not require the sponsor or payor’s name to be on any political advertisements (“paid for by”). If the ad refers to a federal candidate, the Federal Election Commission (FEC) may impose such a requirement. Additionally, Federal Communications Commission (FCC) regulations, radio/TV stations, and print media themselves, may impose an attribution requirement.
**Auctions** – items received for an auction must be reported as an "In-Kind Contribution" from the donor at fair market value. The entire amount received from the highest bidder for an item is then reported as a contribution from the bidder on the appropriate contribution schedule (A, B or C).

**Campaign Cycle** – generally speaking, the period after an election for a particular office, up to the next election for that office.

Example: The gubernatorial election is held every four years. Therefore, the campaign cycle for the Office of Governor is four years, and begins the day after the last election for that office, up to the next election day for that office.

**Campaign Materials** – Campaign materials include all broadcast, cable or satellite schedules and scripts, internet, print and other types of advertisements, pamphlets, circulars, flyers, brochures, letterheads and other printed matter, purchased or produced in connection with a specific election.

- Any filer required to file primary, general and/or special election campaign financial disclosure reports must, at the same time the applicable post-election campaign financial disclosure report is due, submit copies of all the filer’s campaign materials, purchased or produced by or under the authority of the person filing the post-election report, or the committee or the person on whose behalf it is filed.
- Copies can include duplicate originals (e.g., posters, flyers, buttons, etc.) or photocopies.
- These items must be hard copies, not electronic/digital files.
- For practical purposes, large, unwieldy items (e.g., billboards, sandwich boards, etc.), which cannot be readily reproduced in a paper copy, may be photographed.
- All copies must be legible.
- If no campaign material was produced, a disclaimer so stating must be filed in conjunction with the applicable post-election report.

**Candidate** – generally speaking, any individual who seeks to be nominated or elected to public office or party position, whether they ultimately appear on the ballot or not. An individual shall be deemed to be a candidate if:

- He or she has taken action to qualify for nomination or election; or
- Monies were raised or expended by the individual or any person to whom that individual has given consent to do so, in order to bring about such nomination or election to such office or position. The candidacy occurs when the contributions or expenditures in question are made, whether in the year in which the nomination or election is sought or in any future year.

**Committee (Political Committee)** – any corporation aiding or promoting, and any committee, political club or combination of one or more persons operating or cooperating to:

- Aid or promote the success or defeat of a political party or principle or of any ballot proposal; or
- Aid or take part in the election or defeat of a candidate for public office; or
- Aid or take part in the election or defeat of a candidate for nomination at a primary election or convention, including all proceedings prior to such primary election; or
- Aid or take part in the election or defeat of a candidate for any party position voted for at a primary election; or
- Aid or defeat the nomination by petition of an independent candidate for public office.
Committee (Political Committee) (cont.)

Political Committees Related to Political Parties:

Constituted Committee – a state committee or a county committee, or a duly constituted subcommittee of a county committee of a party as defined by NYS Election Law. A party is a political organization that ran a candidate in the last gubernatorial election who polled at least 50,000 votes. There are presently six parties in New York State as so defined:

- Democratic
- Republican
- Conservative
- Working Families
- Independence
- Green

Note: While there are other political organizations that refer to themselves as “Parties” (e.g., Libertarian Party), under NYS Election Law they are not parties as defined above. They are defined as "independent bodies" under NYS Election Law and are deemed multi-candidate committees under the provisions of Article 14 of NYS Election Law for campaign finance purposes.

Duly Constituted Subcommittee of a County Committee:

Outside the City of New York: a city, town or village committee, which consists of all county committee members from that city, town or village, as the case may be, and only such members.

Within the City of New York: an assembly district committee, which consists of all county committee members from that assembly district, and only such members.

Party Committee – any committee provided for (defined) in the rules of a constituted committee (state or county). Examples are:

- Democratic Assembly Campaign Committee (DACC)
- Senate Republican Campaign Committee (SRCC)

Housekeeping Committee – an optional "committee" that is only allowed to be registered by a party or constituted committee for the sole purpose of reporting “Housekeeping Receipts and Expenditures” made and received pursuant to NYS Election Law Section 14-124 (3), to maintain a permanent party headquarters and staff and carry on ordinary activities that are not for the express purpose of promoting the candidacy of specific candidates.

Other Types of Political Committees:

Multi-Candidate Committee – a committee that supports or opposes more than one candidate. (See page 10 of this Handbook for details.)

Political Action Committee (PAC) – although not specifically defined in the NYS Election Law, a PAC is considered to be any political committee that supports candidates or other political committees by making contributions only (PACs do not make direct expenditures on behalf of candidates).

Unauthorized Committees (Single or Multi-Candidate) – committees that are not specifically authorized by one candidate or a group of candidates to raise and/or spend money on their behalf for their election.
**Contribution** (EL 14-100(9))

1) Any gift, subscription, outstanding loan (to the extent provided for in NYS Election Law Section 14-114), advance, or deposit of money or anything of value, made in connection with the nomination for election (e.g., primary), or election (e.g., general), of any candidate, or made to promote the success or defeat of a political party or principle, or of any ballot proposal,
2) Any funds received by a political committee from another political committee to the extent such funds do not constitute a transfer, (EL 14-100(10)) (See “Frequently Used Terms” section of this Handbook for details).
3) Any payment, by any person other than a candidate or a political committee authorized by the candidate, made in connection with the nomination for election (e.g., primary), or election (e.g., general), of any candidate, or any payment made to promote the success or defeat of a political party or principle, or of any ballot proposal including but not limited to compensation for the personal services of any individual which are rendered in connection with a candidate’s election or nomination without charge; provided however, that none of the foregoing shall be deemed a contribution if it is made, taken or performed by a candidate or his spouse or by a person or a political committee independent of the candidate or his/her agents or authorized political committees. For purposes of this article, the term “independent of the candidate or his agents or authorized political committees” shall mean that the candidate or his agents or authorized political committees did not authorize, request, suggest, foster or cooperate in any such activity; and provided further, that the term contribution shall not include:

   (A) (“Volunteer services”) the value of services provided without compensation by individuals who volunteer a portion or all of their time on behalf of a candidate or political committee,

   (B) (“House parties/personal property”) the use of real or personal property and the cost of invitations, food and beverages voluntarily provided by an individual to a candidate or political committee on the individual’s residential premises for candidate-related activities, to the extent such services do not exceed $500 in value, and

   (C) (“Volunteer travel expenses”) the travel expenses of any individual who on his own behalf volunteers his personal services to any candidate or political committee to the extent such expenses are unreimbursed and do not exceed $500 in value.

**Note:** “Transfers” are not contributions. *(EL 14-100(9)(2); 14-100(10))*

**Contributor** — an individual, corporation, political committee, unincorporated union or trade organization, PAC, or any other entity such as a league, association or club who makes a contribution (see definition).

**Depository** — financial institution (e.g., bank), physically located in New York State, where a campaign account is established and maintained.

**Direct Expenditures** — generally speaking, the expenditures made in support or opposition of a candidate, political committee or ballot proposition.

**Disclosure Report/Statement** — a report of the financial transactions relating to a candidate or committee covering a specific period of time. (Consult the applicable “Campaign Finance Filing Calendar” for dates.

**Note:** Once registered, a campaign financial disclosure report must be filed on a due date, even when there are no financial transactions to report. *(See “Who Must File & What Must Be Filed?” section of this Handbook for more details.)*

**Election Cycle** — see “Campaign Cycle”.

**Fair Market Value** — generally, the retail price of goods or services. Contributions other than money to candidates or committees are evaluated under this standard and NYSBOE is empowered to regulate, consistent with NYS Election Law, how this is computed. *(EL 14-114 (2); NYCRR 6200.6(b))*

**Filer** — candidate or committee submitting campaign financial disclosure reports.

**Filer ID#** - an identification number assigned by a board of elections, upon a filer’s registration with that board, to be used in conjunction with each subsequent filing made to that board.
Note: Filers may have more than one unique Filer ID#, dependent upon how many boards of elections they are registered and filing with.

**Filing Calendar** – an annual schedule issued by NYSBOE reflecting dates of required reports.

**Fundraisers** – an event or a solicitation to raise funds for a candidate or political committee.

*Note:* The amount paid for a ticket to a campaign event is the amount that is reported as a contribution received. Expenses are not subtracted from the ticket price in determining the amount of the contribution. If you purchase a ticket to a campaign event, the cost is reported as a political contribution to the sponsoring committee on Schedule F. If the payment is from a candidate committee to a constituted or party committee, or vice-versa, it is a transfer rather than a contribution. (Also see “Auction” and “Raffles”.)

**Housekeeping Expenditure** – see “Committee – Housekeeping Committee”.

**Inactive Status/Non-Participation in Election(s)** – for a limited group of committees (PACs and party or constituted committees), which would otherwise be obliged to file campaign financial disclosure election reports, a Notice of Non-Participation in Election(s) by a Registered PAC, Party or Constituted Committee form (CF-20) serves to notify NYSBOE that the committee will not be supporting or opposing, in any way, any candidates in a particular primary and/or general election, and that NYSBOE should not expect to receive reports it would otherwise receive. If the CF-20 form is not filed, three election reports for the primary election and/or three for the general election must be submitted. Campaign financial disclosure periodic reports must always be filed regardless of whether or not a CF-20 form has been filed.

*Note:* Candidates who are obligated to file campaign financial disclosure election reports and who also submit their own filings, and/or their authorized committees, are not qualified to file a Notice of Non-Participation in Election(s) by a Registered PAC, Party or Constituted Committee form (CF-20) to substitute for election reports. Campaign financial disclosure election reports for three primary election and/or three for general election must be submitted.

*Note:* If, after filing a CF-20 form, the eligible committee opts to become active for the particular election, through contributions or expenditures, it must begin filing campaign financial disclosure reports with the next election report which covers the date when the activity begins.

(See “Forms and Schedules” section of Handbook for more details.)

**Investments** – an investment occurs when cash is taken from a candidate or committee’s checking account (depository) and is placed in a potential income-producing instrument. The investment is not shown as a disbursement of funds, nor is the return of principal shown as income. Interest or income earned is reported on Schedule E as “Other Receipts”. Losses on investments will be shown on Schedule F as a “Campaign Expense,” citing the check number of the original investment. When making the investment, details of the investment must be disclosed as an attachment filed in conjunction with the campaign financial disclosure report covering the period in which the investment was made. Filers must provide the details in hard copy in person or by fax or by mail under separate cover.

**Itemized/Unitemized**

**Itemized Contributions** – whenever any contributor makes a contribution to a candidate or political committee that exceeds $99 by itself, or the contributor makes a contribution that causes the aggregate of his/her contributions to exceed $99 for the campaign/election cycle for candidates and their committees, or for the calendar year for constituted and party committees and PACs, then the candidate or political committee that is disclosing the contributions must itemize those contributions by reporting the following:

- Complete name and address;
- Date;
- Check number (if applicable) and
- Amount of the contribution.

The Itemized contribution must be detailed on one of the contribution schedules (Schedules A, B, C or D) of the campaign financial disclosure report which discloses the contribution. (See the applicable schedules in this Handbook for more details.)
Example 1: A contributor makes a single $100.00 contribution – this must be itemized. Any subsequent contribution made during the same election cycle or calendar year, as the case may be, must be Itemized.

Example 2: A contributor makes an initial contribution of $50 to a party committee in one reporting period (see Unitemized Contributions). Then the same contributor makes an additional contribution of $75 to the same party committee, during the same calendar year, in a later reporting period. This $75 contribution would cause the aggregate contribution of the contributor to that committee to exceed $99 in the same calendar year. In such a case, this $75 contribution would have to be itemized.

Example 3: A candidate or a candidate’s authorized committee receives an initial $60 contribution from a contributor in one reporting period, and then receives an additional $50 contribution from the same contributor during a different reporting period, in the same election cycle. This $50 contribution would cause the aggregate contribution of the contributor to that candidate or committee to exceed $99 in the same election cycle. In such a case, this $50 contribution would have to be itemized.

Note: For Examples 2 and 3, the information that must be disclosed on the campaign financial disclosure report which covers the second contribution made is different when submitting paper campaign financial disclosure reports (CF-01) than when submitting electronic disclosure reports with NYSBOE. For these examples, for disclosing the second contribution on paper reports, the initial contribution is reported under the “Previous Amount” column. For disclosing the second contribution via electronic reports, the initial contribution does not have to be reported because it was either previously reported as “Unitemized”, or it was reported as an itemized contribution at the discretion of the filer.

Unitemized Contributions – A single contribution that does not exceed $99; and a single contributor’s previous contributions to the recipient candidate or committee for the election cycle or calendar year (as is applicable to that recipient type), does not raise the aggregate amount of contributions of the contributor to the recipient to more than $99.

Whenever any contributor makes a contribution to a candidate or political committee, and the contribution or the aggregate contributions of the contributor to the recipient do not yet exceed $99 for the calendar year or election cycle, as the case may be, then the contribution does not have to be itemized on the campaign financial disclosure report covering the date in which the contribution was made. The contribution can instead be reported as an “Unitemized Contribution.” The filer, however, may choose to itemize contributions that qualify to be reported as “Unitemized Contributions.”

Itemized Expenditures – single expenditures that are more than $49.99. Whenever any single expenditure exceeds $49.99, the filer must provide the following information on Schedule F (Expenditures/Payments); or, if applicable, on Schedule Q (Non-Campaign Housekeeping Expenses):

- Date, Check Number (if applicable), Name and Address of the Payee, the Amount, and the Purpose Code of the Expenditure.

Unitemized Expenditures – single expenditures that are less than $50. For single expenditures that are less than $50, the filer can simply include the amount in the “Total Unitemized Expenditures” box on Schedule F, or on Schedule Q if applicable. However, the filer may choose to itemize expenditures which otherwise qualify to be reported as Unitemized Expenditures. For credit card payments, or for reimbursements to individuals for campaign-related expenses, the filer must disclose the detail for each expenditure over $49.99 that is part of the reimbursement or credit card payment. (See the applicable schedules in this Handbook for more details.)
Note: Reporting the “Total Unitemized Expenditures” on a paper campaign financial disclosure report (CF-01) is different than when submitting electronic campaign financial disclosure reports with NYSBOE. On paper reports, the amount of “Total Unitemized Expenditures” for the applicable reporting period is entered in the “Total Unitemized Expenditures” box on Schedule F, or on Schedule Q if applicable. For electronic disclosure reports submitted to NYSBOE, there is no “Total Unitemized Expenditures” box on Schedules F or Q. In this case, a filer must make a single entry on the applicable schedule by choosing the “Unitemized” box and entering the total amount of expenditures in the “Amount” box. Give a brief explanation in the Explanation field as required.

Independent of the Candidate or his Agents or Authorized Political Committees – shall mean the candidate, or his/her agent or authorized political committee, did not authorize, request, suggest, foster or cooperate in any such activity.

In-Lieu-Of Statement – a type of report that can only be filed by candidates filing their own campaign financial disclosure reports, or by authorized committees only supporting one candidate, or by committees solely supporting or opposing ballot propositions, where at the close of the reporting period in question, neither the total receipts nor the total expenditures of the campaign have exceeded $1000.

Limits – there are limits on contributions that can be made and limits on contributions that can be received. (See “Contribution & Receipt Limitations” section in this Handbook for more details.)

Loans Made – as with an investment, campaign funds loaned to another entity are still an asset of the filer. The initial disbursement, or return, of the principal amount is not shown. Interest Income is reported under Schedule E “Other Receipts”. If the lendee defaults on all or any part of the loan, or if any part of the loan is forgiven, that amount will be shown on Schedule F as a political contribution or other expense, as the case may be. The details of the loan made must be provided in an attachment, filed in conjunction with the campaign financial disclosure report covering the report period in which the loan was made. Email filers with NYSBOE must provide details under separate cover by fax, mail or in person.

Loans Received - see Schedule I in Campaign Financial Disclosure Report (CF-01).

No-Activity Statement/Report - a report where there has not been any activity (i.e., receipts and/or expenditures, including interest, dividends and bank charges) during the reporting period and, therefore, there are no transactions to report.

Non-Participation in Elections - (see Inactive Status in the “Frequently Used Terms” section of this Handbook).

Off-Cycle - a report that does not correspond to any specific filing period. It should be used when filing a resignation or termination campaign financial disclosure report outside of a regularly scheduled reporting period.

Official Party – any political organization, which at the last preceding election for governor, polled at least 50,000 votes for its candidate for governor.

Outstanding Liabilities – goods or services that have been received, but which have not yet been paid for. Goods and services received along with an invoice, to the extent to which they are not paid in that reporting period, are reported on Schedule N. For goods or services received without an invoice, an estimated amount must be reported on Schedule N. The outstanding amounts, full or partial, continue to be reported on Schedule N until either paid or forgiven.

Party Funds – NYS Election Law Section 2-126, which prohibits the use of party funds in support of a candidate in a primary election, was found unconstitutional by state and federal courts. It is therefore invalid. As such, party funds may be used in a primary election.
Periodic Reports – campaign financial disclosure reports filed on specific dates each year.

PIN – Personal Identification Number. This number is assigned by NYSBOE and acts as a filer’s electronic signature. PINs are used in conjunction with each campaign financial disclosure report submitted electronically.

Political Club – depending on the nature of its activities, a political club may or may not be a political committee. See “Committee”.

Raffles – funds are not allowed to be raised by raffles, 50/50s, or any other type of gambling. For further information, contact the NYS Gaming Commission (518-395-5400) or the Attorney General (518-474-7330).

Registration – see “Who Must File & What Must Be Filed?” section in this Handbook for more details.

Report – a campaign financial disclosure report of all monies raised and spent during a specific period of time (reporting period).

Schedules – A campaign financial disclosure report (CF-01) consists of 17 schedules. Each schedule has a specific reporting purpose; only applicable schedules need to be used with each report. (See “Forms and Schedules” in this Handbook for more details.)

Solicitations – Section 6113 of the Internal Revenue Code requires certain solicitations for political purposes to contain an express statement that political contributions are not tax deductible as charitable contributions. Consult the IRS for further details.

Status Report – see “Forms and Schedules” in this Handbook for more details.

Transfer – there are two types of transfers:
Type 1: The exchange of funds between a party or constituted committee and a candidate or any of his/her authorized committees or vice versa; OR
Type 2: the exchange of funds or anything of value between two committees authorized by, and solely supporting the same candidate in his campaign.

- A party or constituted committee and a candidate or any of his/her authorized committees or vice versa (e.g., Type 1 Transfer – NYS Republican State Committee to Friends of Smith, or vice versa); or -

- Two committees solely supporting the same candidate (e.g., Type 2 Transfer – Friends of Vincent Smith to Citizens for Vincent Smith or vice versa).

Termination – ends the filer’s obligation to submit campaign financial disclosure reports. (See “Terminating Filing Obligations” section in this Handbook for more details.)

Treasurer Resignation – process by which a treasurer ends his/her obligation to submit campaign financial disclosure reports. (See “Duties of Treasurers/Candidates” and “Resigning as Treasurer” sections of this Handbook for more details.)
