

Amend 9 NYCRR part 6217.6(c) as follows:

(c) NYSVoter shall compare the New York State Department of Motor Vehicles driver license or non-driver number, name, **and** date of birth [**and gender**] of the voter with the New York State Department of Motor Vehicles records for verification of the voter's identification as required by statute. The New York State Department of Motor Vehicles shall report back to NYSVoter. Based upon this report, the County Board shall determine if they have sufficient information to verify the voter's identity, or whether additional information is required to verify the voter's identity.
