1 **Subtitle V of Title 9 of the Official Compilation of Codes, Rules and Regulations of the**
2 **State of New York is hereby amended by amending Part 6217.5(C) Voter Registration**
3 **Processing, to read as follows:**

4

5 C. All voter registration activity must be done by a bipartisan team of workers, to assure
6 fairness and uniformity in the process.

7 1. Bipartisan processing:

8 i. Staff member(s) of one major political party review(s) and enters the
9 information from either an individual application or a batch of
10 applications[, electronically signing their work].

11 ii. The work on [that] such application or batch of applications is proofread
12 and reviewed by a staff member(s) of the opposite major political party[,
13 who also electronically signs their work].

14 iii. Any edits or changes to the information initially entered must be made
15 and [signed] approved, in a bipartisan process, by the two staff [persons]
16 members of opposite parties.

17 iv. Once [signed] completed by two staff [persons] members of opposite
18 parties, the information is sent from the county registration system to
19 NYSVoter for inclusion on the statewide list of registered voters, and
20 verification of each voter's identity.
