Ms. Anna Svizzero  
Director of Election Operations  
State Board of Elections  
40 Steuben Street  
Albany, NY 12207-2108

Dear Anna:

Enclosed is our "new" application for voting machine certification. You already have our check for \$5,000 that was enclosed with our previous applications.

We have included sample shots of both the primary and general election ballot. You will also find affirmations not previously included but required under Section 6209.4.

We look forward to moving onto the next step in the process.

Regards,

Rick Gleim, Vice President  
Avante International Technology, Inc.

To Whom It May Concern:

Re: Voting System Application Requirements 6209.4

As a condition of submitting our application we affirm the following:

(1) the submitted voting system complies with all applicable rules adopted by the State Board, and with all applicable 2005 Federal Voting System Guidelines not inconsistent with state law or these regulations, and is suitable for use by voters.

**Avante affirms the above.**

(2) the vendor will quote and provide a statewide, uniform price for each unit of the voting system's equipment.

**Avante affirms the above.**

(3) the submitted voting system's software does not contain any code, procedures or other material (including but not limited to 'viruses', 'worms', 'time bombs', and 'drop dead' devices that may cause the voting system to cease functioning at a future time), which may disable, damage, disarm or otherwise affect the proper operation of the voting system, any hardware, or any computer system or other property of the State Board or county board.

**Avante affirms the above.**

(4) any submitted voting system provides methods through security seals or device locks to physically secure against attempts to interfere with correct system operations. Such physical security shall guard access to machine panels, doors, switches, slots, ports, peripheral devices, firmware, and software.

**Avante affirms the above.**
