THE PRESIDENTIAL PRIMARY ELECTION IN NEW YORK STATE: SUMMARY OF THE BALLOT ACCESS REQUIREMENTS

Primary Date: April 19, 2016

The purpose of the presidential primary is to select delegates to a national convention of a political party. The provisions for the delegate selection process are found in the Election Law, the rules of the party and Chapters 87 and 88 of the Laws of 2015.

DEMOCRATIC PLAN

The Democratic Presidential Primary is really a “dual primary.” Candidates for president run against each other in a statewide primary, and delegates run in each congressional district. Delegates are either committed to a particular presidential candidate or uncommitted. EL § 2-122-a.

REPUBLICAN PLAN

The selection of congressional district delegates and alternate delegates to the Republican Party’s national convention is determined by a congressional district level primary election of candidates for the office of President of the United States. The names of delegates and alternate delegates do not appear on the ballot. Additional at-large delegates are elected by the state committee and apportioned to presidential candidates based upon the statewide results of the presidential primary. EL § 2-122-b.

BALLOT ACCESS REQUIREMENTS
